*Tales Under the
Mid-Autumn Moon*

The Design

Inspired by the Year of the Snake, our vibrant Mandarin-hued mooncake box tells the story of Andaz Singapore through playful illustrations. The journey begins under a full moon at Mr. Stork rooftop bar, flowing through highlights of the hotel's dining spots at 665°F, Alley on 25, Bar Square, and 5 ON 25, brought to life with joyful rabbits and whimsical scenes.

Nods to local art and the colourful shophouses of Kampong Glam add cultural depth, while the Moon Goddess Chang'e brings a celestial touch, symbolising grace, reunion, and festivity.

The Flavours

NEW

Great for the Adventurous Pandan Jade

A tribute to Singapore's beloved pandan chiffon cake, this mooncake delights with a coconut-infused white lotus paste and a fragrant pandan core — encased in golden pastry for a balanced, aromatic bite.

Red Date Jubilee

A nostalgic nod to Cheng Tng, this mooncake is gently sweetened with red dates and longan, offering layers of warmth and depth in every slice.

Perfect for
the Purists

5 ON 25 Signature Tea

An elegant creation by Head Chef Lim Hong Lih, this mooncake blends Osmanthus, Oolong and Pu'er teas into a silky white lotus paste — a refined treat for tea lovers.
