SAFETY & HEALTH PROTOCOLS: ELVERHØJ ETIQUETTE

We follow Santa Barbara County Health Department protocols and regulations and continue to monitor those on a regular basis. We have implemented stringent cleaning and sanitizing protocols to help keep everyone safe while having an enjoyable visit.

GUEST RESPONSIBILITY

All guests will be asked to remember their “Elverhøj Etiquette” while visiting and follow these enhanced safety precautions developed in response to COVID-19.

- Under the weather? Take care, stay home, feel better soon.
- Follow the signs regarding face masks at the entrances. If required, ensure that it covers nose and mouth
- Maintain social distancing between your group and others whenever possible
- Exercise patience with smaller spaces when sharing the space with others

ELVERHØJ RESPONSIBILITY

Elverhøj has implemented a number of safety enhancements, including:

- Placing hand sanitizing stations at key points
- Increased sanitation of high touchpoint areas
- Elverhøj staff and representatives wearing face covering when requested
- Removing high-touch displays

THE “FINE PRINT”

The health and safety of our members, volunteers and staff are our first priorities. We attempt to always comply with applicable mandates and recommendations from government officials and the Centers for Disease Control and Prevention. These may change without notice.

Despite our stringent cleaning and sanitizing protocols, we cannot control all circumstances. By entering our premises, you acknowledge that you assume any risks associated with your visit, including but not limited to a risk of injury or illness.
