Policy Committee Report
Thurs, May 12, at 5:00
Attending were: Carol Auer (Chair), Gillian Murphy, Robert Miller, Stephen Bergstein and Hillary Cloos.

We looked at the Americans With Disabilities Act Compliance Policy and found it to be essentially good as is. Do we want to have ‘signers’ for the deaf that we can call on?

The introductory paragraph of the Freedom of Information Law (FOIL) Policy needed rewording to explain our being an association library.

The Customer Service Policy has been tweaked.

At the next meeting, on June 9, we expect to revisit the Vulnerable Adults Policy and the HHH Collection Policy. The Financial Policy is being reviewed by the Financial committee. We may possibly try to look at a Trustee Code of Ethics Policy
