Weekend nourished the mind, body and soul

Ravensthorpe Wellness Weekender

The Wellness Weekender was two days of craft workshops, experiences, entertainment, nutritional and financial well-being classes, exercise and more.

Organised by the Ravensthorpe CRC, with additional programming from Rave About Arts, the weekend started with a stretching and relaxation session to get everyone in the mood and set the tone for the weekend.

With over 45 participants and 23 sessions, ticketholders booked the sessions that interested them most.

Being a participant and a workshop presenter meant I was able to experience both sides of what the weekend had to offer.

The science and psychology of stress and why we feel the way we do when our 'stress bucket' gets too full primed participants with a knowledge and self-awareness to get even more out of each unique session and how any of this wide variety of sessions on offer can benefit mental wellbeing even more.

Craft sessions included,

Photos supplied.

writing, creativity, lino printing, singing, pottery by hand and on the wheel and each session finished with an eclectic and enthusiastic range of - in some cases first time - artworks.

And to keep us all fueled and alert, lunches and a dinner grazing table were provided with an exceptionally delicious - and healthy - range of exotic salads, roast vegetables, gourmet juice and smoothies mocktails and tapas.

Saturday finished with a relaxing outdoor afternoon laze to live music, before the main event of Lisa Woodbrook "It's Not Me, It's Definitely You".

Weekend nourished the mind, body and soul

■ From page 1

A hilarious combination of fantastic live music and comedy – performed in the Blue Room, and the first time women were allowed since 1947 – and the show left everyone in stitches.

Sunday started with a range of fitness sessions from relaxing to work out level with participants picking their levels and continuing with a range of craft and nutritional classes, with Drumming for the Soul to finish the weekend with a passionate and fun session of making music and being loud with Meredith and Andrew Waters of Esperance Drumming Group.

There is so much to rave about the success and worthwhileness of this event, with the biggest feedback from participants being “how soon can we go to the next one?”

It was a fantastic experience, meeting so many new people from many different towns all enjoying new experiences, learning new things and just having fun!

Word of the Day

prevaricate verb | prih-VAIR-uh-kayt

Definition:

: to deviate from the truth : equivocate

Did You Know?

Prevaricate and its synonyms lie and equivocate all refer to playing fast and loose with the truth. Lie is the bluntest of the three. When you accuse someone of lying, you are saying that person was intentionally dishonest, no bones about it. Prevaricate is less accusatory and softens the bluntness of lie, usually implying that someone is evading the truth rather than purposely making false statements. Equivocate is similar to prevaricate, but it generally implies that someone is deliberately using words that have more than one meaning as a way to conceal the truth.

SHOEMAKER-LEVY CONVEYOR OVERPASS INSTALLATION

Temporary South Coast Highway closure

TUESDAY MARCH 30TH, 6AM-6PM

On Tuesday, March 30th, First Quantum Minerals will take an important step for the future of Ravensthorpe Nickel Operation with the installation of a conveyor overpass across the South Coast Highway.

The South Coast Highway between Hopetoun-Ravensthorpe Road and the Jerdacuttup Road will be closed for 12 hours to allow cranes to lift the final conveyor overpass span into place.

The overpass will connect the Shoemaker Levy mine to the processing plant on the south side of the road, bringing Ravensthorpe Nickel Operation one step closer to opening its brand-new pit.

The new mining pit is located on the northern side of the South Coast Highway, roughly 30km east of Ravensthorpe and 25km west of the

Jerdacuttup Road turnoff.

Anyone travelling along the South Coast Highway between Ravensthorpe and Munglinup from 6:00am to 6:00pm will be required to take a detour on the Jerdacuttup Road.

RNO and Main Roads are working together on finalising the necessary approvals for the conveyor overpass, and traffic controllers and signage will be stationed on the South Coast Hwy at the Hopetoun-Ravensthorpe Road and Jerdacuttup Road turnoffs to direct road users.

The highway will be reopened after the installation has been successfully completed and final safety checks have been conducted.

First Quantum Minerals appreciates that the detour may cause inconvenience for road users and

apologises in advance for any additional travel time. The closure takes place during daylight hours to provide the safest possible conditions for the work crews involved.

An additional artistic element of the conveyor overpass will result in a unique tourist attraction for the region, forming part of First Quantum Minerals contribution to the local tourism sector and economy. The unique attraction will be instantly visible to locals and tourists once the road is reopened.

The installation of the conveyor overpass is essential to the long-term future of Ravensthorpe Nickel Operation and will enable the plant to keep producing and exporting nickel for at least another 20 years.

More details will be released to the media once the installation is complete.

Letter of thanks

Dear Ravensthorpe community,

I need, and wish, to write thank you.

Being tourists passing through, we enjoyed walking your Main Street.

We sat on your special chairs. We enjoyed an ice cream from the lolly ice cream shop plus \$40 worth of sweets.

We bought supplies from Foodworks. We fuelled up with diesel. I bought a lovely child's cloth book from a gift store.

We enjoyed a beer at the bar with jovial locals. Then we headed out of town.

112 km towards Hyden I realised I had placed, and left, my small back pack with all valuables in it on a wall in the Main Street. Shock. Horror.

Frantic phone calls with intermittent reception and we start driving all the way back to your lovely town.

My bag had been found and handed in, all intact.

I was told on the phone by many that the town is full of nice people and my bag would turn up. How right they were.

You all influence each other I'm sure. We come from a country town, so I can't help but write thanks to the kind lady from Foodworks who handed it in, but your whole community as well!!!

Covid Vaccination clinic for the community

We were given the exciting news that the Ravensthorpe Medical Centre has been selected as a Covid Vaccination Hub and we currently will be the only vaccination hub between Esperance and Albany and all surrounding shires.

The Ravensthorpe site was chosen at a Federal level due to proximity to an Emergency Department and facilities to manage any problems encountered.

We have been advised that we should start to receive the vaccine on the week commencing April 12th.

We are eligible to receive 50 doses per week only, and we will be hosting a clinic once a week in Ravensthorpe, initially for people who are eligible for the 1b rollout.

There is an eligibility tracker online.

<https://covid-vaccine.healthdirect.gov.au/eligibility>

Please call 9838 3854 on Monday, Wednesday and Friday or 9839 1600 to book in for one of the clinics.

For anyone pondering is it safe? What about the side effects and taking advice from self-annointed 'experts'—here is a snap from the latest data of actual reported side effects.

This data is taken from a worldwide database reported in real time and for anyone in doubt the comparison group is the unvaccinated.

VSD RCA outcomes for COVID-19 vaccines	Concurrent comparator	Risk interval	Events in vaccinated	Events in unvaccinated	Signal (Y/N)
Acute disseminated encephalomyelitis	Unvaccinated	1-21 days	0	0	N
Acute myocardial infarction	Unvaccinated	1-21 days	1	179	N
Acute respiratory distress syndrome	Unvaccinated	1-21 days	0	4	N

Pulmonary embolism (subset of VTE)	Unvaccinated	1-21 days	0	132	N

What you can quickly appreciate is scientifically not having the vaccine clearly leaves you worse off.

Indeed in the USA there is a clear drop in deaths and admissions from the vaccination group whereas the only rate going up is the unvaccinated.

It is your choice but now is the time to think about it.

Having a safe and effective COVID-19 vaccine is one way we can protect our community against coronavirus.

COVID-19 vaccines help to prevent serious illness and death from COVID-19, and they are free for everyone in Australia.

Livingston Medical in Ravensthorpe is pleased to advise that we are an approved vaccination provider for COVID-19 vaccines.

We are happy to help provide COVID-19 immunisation for our local area and wider community.

Vaccine rollout

COVID-19 vaccines are being rolled out to people in phases, with those most at risk receiving their vaccinations first.

To find out if you are eligible to receive the vaccine now, visit <https://covidvaccine.healthdirect.gov.au/eligibility> and complete the COVID-19 Vaccine Eligibility Checker.

You can then make a booking to receive your vaccine.

Booking your appointment

COVID-19 vaccinations are voluntary and free.

When it is your turn to get vaccinated, you can call us on 9838 1600 Tuesdays and Thursdays or 9838 3854 Monday, Wednesday or Friday to book your appointments to get your first and second doses of the vaccine.

You can also book online www.livingstonmedical.com.au or come in to the Ravensthorpe and Hopetoun Clinics.

Make sure you book an appointment for your first and second doses. Please give us a call if you need to confirm what the timing should be between the appointments.

Preparing for your vaccination

Before your vaccination appointment, you should make sure your details are up to date with Medicare.

If you don't have your account set up, you can:

- enrol in Medicare, if you're not already enrolled.
- set up your Medicare online account if you're enrolled in Medicare, but don't have Medicare linked to myGov.
- get an Individual Health Identifier (IHI), if you're not eligible for Medicare

You can also read this patient factsheet developed by the Australian Government Department of Health: <https://www.health.gov.au/resources/publications/covid-19-vaccination-preparing-for-covid-19-vaccination>

Please do not come to your vaccination appointment:

- if you are feeling unwell with fever, cough, runny nose or other symptoms that could be from COVID-19
- if you are waiting for COVID-19 test results, or have tested positive for COVID-19
- if you are a close contact of someone with COVID-19, or
- if you are in quarantine.

If you have had another vaccine, for example the influenza vaccination, in the 14 days before your COVID-19 vaccine appointment. Please let us know as we may need to reschedule your appointment.

To keep you and our community safe, before and after vaccination, it is important that you continue to:

- Stay 1.5 metres away from other people and avoid handshakes and contact with people outside your household.
- Stay home if you feel unwell and get tested for COVID-19. You must stay at home until your results come back.
- Wash your hands regularly with soap and water or use hand sanitiser.
- Always cough or sneeze into your arm or a tissue and put the tissue in the bin straight away.
- Download the COVIDSafe app to help health officials let you know if you have been in contact with someone who has COVID-19. To learn more about COVID-19 vaccines, visit health.gov.au

New Ravy cultural precinct heads towards construction

Ravensthorpe locals are one step closer to getting their own state-of-the-art cultural precinct, with tenders for construction of the \$7 million project due to be issued in the coming weeks.

The 1,400sqm community hub has been designed to be a dynamic, safe, and inclusive space for residents and visitors of all ages. It will offer a range of activities and services, including a visitors centre, seniors and playgroup spaces, Community Resource Centre (CRC) and Council Chambers and reception.

The highly anticipated Cultural Precinct project was finally brought to reality through the generous support and contributions of 14 different business and community groups throughout the region, including a \$100k donation from Ravensthorpe Nickel Operation (RNO).

Australian Government

BUILDING OUR FUTURE

New Ravy cultural precinct heads towards construction

This support allowed the Shire to apply for a Building Better Regions Fund (BBRF) grant from the Australian Government, which they received.

The Centre will sit adjacent to the current Council buildings, and will take up 11,756sqm of town centre space including a large playground and public amphitheatre.

RNO Assistant General Manager Bob Gordon said RNO, like many other businesses in the region, was glad to support the Shire's plans to bring added vibrancy to the region.

"The Cultural Centre will bring real value to Ravensthorpe and the surrounding area. The community here is growing and their needs are changing, and it's pleasing to see the Shire of Ravensthorpe so committed to providing spaces that will be enjoyed by the whole community."

"We are proud to have played a role in bringing this project to life, and I look forward to visiting the Precinct once it opens", said Mr. Gordon.

The Cultural Centre will be constructed primarily from timber and will generate part of its' electricity from solar panels. A rainwater tank, energy-efficient lighting and low-energy building materials further contribute to reducing the building's environmental impact.

Shire of Ravensthorpe President Keith Dunlop said the precinct would provide a vital service and encourage social connection.

"We look forward to opening up a whole new range of opportunities for the region and to providing a space that is recognised as dynamic, safe and inclusive for all".

"The Council buildings are long overdue for a makeover, and the Shire has long been keen to provide healthy and fit-for-purpose offices spaces for our staff. This Precinct will go beyond that - it will be magnificent", said Mr. Dunlop.

It won't just be locals benefitting from the new Centre; tourism is also set to receive a boost, increasing economic activity throughout the region. The centre will serve as a modern and managed tourism facility for the whole region, increasing both time and dollars spent in Ravensthorpe and beyond.

TENDER 10 - 2020/21 BUSHFIRE MITIGATION ACTIVITIES (Round 2 Treatments B)

The Shire of Ravensthorpe is seeking a suitable Contractor(s) for the delivery of the 2020/21 Bushfire mitigation program (Round 2 – Treatments B), funded through the Mitigation Activities Fund (MAF). The contract consists of 15 individual bushfire mitigation treatments to be delivered across the Shire of Ravensthorpe.

Interested parties are invited to obtain the documentation from the Shire of Ravensthorpe by emailing tenders@ravensthorpe.wa.gov.au from Saturday, 20 March 2021.

Tenders are to be marked "Private and Confidential" displaying the tender number and placed in the tender box located at the Shire Administration Office, 65 Morgans Street, Ravensthorpe. Alternatively, emails should be sent to tenders@ravensthorpe.wa.gov.au and marked in the subject line as confidential with the tender number and tender title. Tenders are to be received by no later than 10:00am WST Tuesday, 6 April 2021.

Canvassing of Councillors will result in disqualification of the submitted tender and the lowest or any tender may not necessarily be accepted.

Time to pull out the dancing shoes

■ Dance Hall

The dancing shoes of many of the Ravensthorpe community members are getting dusted off as the monthly Dance Hall is back up and running.

It is all about having fun and we want to encourage all members of the community to feel welcome and come along—don't worry about a partner as partnering up is done on the night. I

t's a great evening filled with many laughs, nibblies and refreshments (BYO alcohol is an option). All types of dances are learnt from the Nutbush to the Foxtrot.

This month is a big one as a FREE bus is running from Hopetoun so more people can get involved.

Buses will be running on three other dates which are June 25th, October 1st and November 26th. Although the bus is free bookings are essential and can be made at <https://events.humanitix.com/dance-hall-2021> or either of the local CRCs.

We can't wait to be dancing and hope to see you there!

Volunteer Fire and Emergency Services

What do the Volunteer Fire and Emergency Services do?

Volunteer Fire and Emergency Services (VFES) volunteers play a significant and vital role in helping to ensure their local communities are safe. VFES volunteers serve their local communities on a voluntary basis by undertaking both operational and non-operational roles. Not all VFES units are the same, volunteer roles and activities can vary depending on where you live.

The role of a VFES unit may vary and is determined by factors such as:

- the level of fire prevention and risk management required within their communities;
- the need to educate school children on fire safety;
- other community requirements.

VFES volunteers can respond to a range of local emergencies such as:

- structure, bush and scrub fires;
- hazardous materials emergencies;
- vehicle and industrial rescue;
- floods, storms and cyclones;
- cliff and cave rescues;
- land and air searches; and
- marine rescues.

What volunteer roles are available?

Volunteers undertake various roles according to their abilities, interests, and what they are comfortable with. The different volunteer roles are listed below.

- Firefighting
- Fire support
- Hazardous material recovery (HAZMAT)
- Road crash rescue
- Storm and flood response
- Search and Rescue
- Vertical rescue
- Radio communications
- Operations
- Logistics
- Administration
- Equipment maintenance
- Leadership
- Training
- Welfare

Volunteer Fire and Emergency Services

What are the benefits of volunteering?

- Serving your community
- Increasing your knowledge and skills
- Achieving personal satisfaction
- Meeting new people
- Being actively involved in emergency services
- Challenging yourself
- Applying your skills in new environments.

What will I be doing?

Time commitments vary between units but a typical commitment range is:

- one training night per month;
- one meeting per month; and
- attending incidents when you are available.

Responsibilities include the below.

- Attend incidents whenever possible
- Follow instructions given by officers
- Use service equipment and vehicles in a safe manner
- Attend meetings as required
- Participate in training
- Maintain a reasonable level of fitness, appropriate to allocated tasks
- Maintain vehicles, equipment and personal protective clothing.

Denim Recycling workshops a hit

■ Hopetoun CRC

The Hopetoun CRC hosted two Recycled Denim Workshops recently with local presenter, Vivienne Conway.

Participants of the workshop brought in old denim jeans that they then cut and sewed to make new items for themselves such as coasters, aprons and bags, in an effort to promote the idea of repurposing to avoid old denims ending up in landfill.

Globally, 87% of all disposed textiles are sent to landfill or incinerated and less than 1% is recycled back to reusable materials.

These workshops were a part of Hopetoun CRC's Building a Low Waste Community initiative and were supported with funding from Galaxy Resources.

To find out more about the initiative, please contact the CRC on 9838 3062 or email hopetoun@crc.net.au

■ Display of different items that can be made from recycled denim. Photos supplied.

■ Ladies display their completed creations.

■ Participants working hard on their projects.

■ Reversible bag made from denim and fabric scraps.

CWA

The March meeting was held on the 8th with 10 members attending.

The members have asked for letters of thanks to be sent to Alan Grant for auditing our finances and Bill and Judy Plowman for cleaning our carpets.

Lance Goddard is going to tile a section of the kitchen wall for us. Viv Herbert will follow up on the hole under the building on the west side.

The CWA library will be our next project with books being sorted and sold—so come down and browse through them. The floor in the library is going to be repaired prior to carpet being laid.

Happy birthday to Madeline Bell and Elsie Schofield.

The raffle was supplied by Coralie Thomas and was won by Mary Smith. The flower was won by Roz Biddulph with a frangipani.

Our next meeting is on April 12th, with hostesses being Wendy Zani and Erna Temmen and raffle by Wendy.

SAMMY (SOUL SISTA)

This "literary art" is easy to explain in terms of its purpose. It exists to instigate a change in a prolific stagnant perception we share; nothing more...nothing less.

Nothing less because nothing less will do. Nothing more because the spiritual awakening is a very personal journey you choose to embrace, and control with the guidance and direction of your inner teachers, healers, and angels; in earth as it is in heaven... as above so below. This change underway brings you into a higher state of consciousness, which reveals everything it can to you because you are a participating observer. You are not heading out into the great unknown to identify something you can scarcely articulate, but delving inside to discover something pre-existing within you, which transcends fear in all forms.

As soon as we start seeking truthfully, we start receiving lavishly. We are here together to understand that consciousness has many ethereal faces within many levels of existence throughout the infinite realm of love. We are here together to rediscover our individuality within the parameters of our wholeness; removing our inadequate fictitious profile from a sea of dormant faces, and transforming into a new state of self-awareness. Our cognitive carnal journey has brought us through many illicit and terrifying situations as it was programmed to do, but this exercise in control tactics and blind obedience has run its course. We are leaving the entanglement of human history behind as we prepare ourselves for the

celebration, which commemorates our true reality by the one true definition of existence we will simply call love.

We have navigated a very difficult course over the millennia, and the cause and effect of hardship revolving around the premise of confinement has been resolved. Doors, which have been locked and barricaded for an extended period of time, have been unlocked and propped open from "the other side". Your work now revolves around approaching the light emanating from these openings, and then following your heart through into a familiar timeless paradigm. The most difficult thing you will do from this point forward is to fully accept that your hopes, dreams and desires have a cosmic origin. Remember, solutions are never derived from the problems you entertain, and stillness is the vehicle, which travels unobstructed beyond the boundaries of time and space.

Happiness can be a very analytical subject because it gets entangled in our restricted comprehension, positioned within the unforgiving boundaries of our carnal perception. Analyzing happiness is akin to judgement, and it is something we will renounce to avoid the disparaging effects of critical assessment, and the confusion, which inevitably results from this procedure. We have grown accustomed to analyzing happiness from a very up close and personal perspective that lacks the proper multiplicity to be truly comforting; this is

an act of attrition which we will resist for the sake of everything Holy. Pure joy is not something to be understood in any philosophical context; it is something to be experienced and enjoyed. When salvation becomes a pseudo-intellectual exercise, the infinite connective nature of the signal is lost. A new lease on life has been drawn up, and all it will need is your "signature move" towards the light to be validated.

Diagnostic living is an exercise in futility when the dynamics are based upon pre-conceived concepts that have no value in relation to the reality from which your soul is derived. We will return to "factory settings" within the universal interface we unceremoniously call the mind.

Division and isolation are conquering aspects of fear, concealed in protective custody behind one of many foolish ideologies living within the human mind as an autonomous entity that screams louder, and kicks higher than purpose or reason would ever consider. We will adjust to transcendent objectivity now by becoming aware of the median which runs through the mind, leaving us divided, and therefore conquered.

We will consolidate multiple levels of consciousness before this day is over, and we will adjust to the fact that we are spirit awakening with passion and purpose. As sure as there is collateral damage in respect to the cause and effect of our impulsive human nature, there exists collateral benefits which

develop auspiciously amongst the dynamics of madness as it relates to our carnal journey. Benefits are forthcoming that defy common logic through effortless thoughtful deliberation on the supernatural attributes we are destined to incorporate into this paradigm. Our willingness to experience physical existence with effortless anticipation generates alternate possibilities, which exist just beyond our cluttered perception. The good, along with the bad and the ugly will be alchemized, leaving a clear view of the options at hand that bring joy to everyone, and every situation; stepping into the role as a savior is nowhere near as difficult as your lower mind would make it out to be.

Loving you deeply and completely...

—I am Sam.

John wins Men's Championship

■ Hopetoun Bowls

Mixed Scroungers were played on March 10th with 9 players playing on a wet and thundery afternoon.

Sponsored by Christine and Michael Gianni from the Port Hotel. Rink winners Fred Payne, Keith Hyde, Alec Woods, Ron Davis. The winners being Davo and Keith who was from the Warnbro club.

March 17th with nine players, sponsored by Des and April Barr. Rink winners Stan King, Fred Payne and Frank Green. The winner being Stan.

The Men's Single Championships were played on March 13th-14th with 10 men playing in two divisions, round robin event.

Winning all their games in each division were John Goddard and Des Barr. In

the final John beat Des 25-7 and being Men's Champion—congratulations. Thank you to all the people who marked for the games.

Our ladies were busy playing in the ILRR Fours held at Gnowangerup on March 12th-14th, with the team of Coral Grant, Margot Hawkins (Hopetoun) and Lyn Murdoch and Denise Edwards (Ravensthorpe) playing very well and winning four games and only losing the last game on the last end.

Coral, Margot and Denise were selected to play for the Southern Zone in the IZRR Fours to be held at Kellerberrin. Congratulations girls.

Sunday March 21st with Social Bowls being played with 12 players playing 2x4x2 Pairs of 12 ends.

—Pam Cousins, Ladies President.

Forthcoming Events:

March 27th: At Ravensthorpe, Hopey Painting and R and D Edwards Day.

April 10-11th: Men's League games at Hopetoun.

Closing Day and the AGM will be announced soon—look on the notice board for dates.

Hear Us Roar

■ Ravensthorpe Tigers

Get your footy socks ready, sticks out and shooting skills on point—winter sports season is almost here.

After an AGM on Tuesday March 16th, the executive positions for the Ravensthorpe Tigers Football and Sporting Club have been filled with Jordan McAllister as President, Heidi Bridger as Treasurer and Gabrielle Mudie as Secretary; however, there are still some position vacancies—junior coordinator(s) and all coaching positions.

The club and current members are looking forward to three exciting home games this year on June 19th, July 31st (night netball) and August 14th (junior final).

Another cause for excitement is the possibility of a bigger competition with the huge number of arriving families that have been brought to town by the mine. While the association is small now, we encourage new members—it is still the best way to get involved in the community, make connections, and stay active.

If you are new to town or haven't been involved before, we encourage you to come join—fresh faces are always more

than welcome. Don't be worried if you haven't played in a long time or even at all, all skill levels are welcome.

For more information visit the Facebook page Ravensthorpe Tigers Football & Sporting Club or contact them at ravytigersfansc@hotmail.com.

We're excited to see all the new faces!
