Join the MoNA Link 2023-2025 Teacher Cohort

MoNA Link is a two-year professional development program for teachers in art education. MoNA Link is a partnership between the Museum of Northwest Art and school districts in Skagit and surrounding counties. The program includes art lessons taught in the classroom by a museum educator and museum visits for the students.

MONA LINK PROGRAM GOALS

- Help students achieve state learning standards in visual art, critical thinking, and communication skills
- Provide teachers with professional development trainings to make, experience and, better understand art
- Provide lessons, field trips, and classroom visits to link students to Northwest Art
- Train teachers with Visual Thinking Strategies that facilitate discussion and visual literacy
