Dear Alliance,

We are excited to announce a date and time for our next big Alliance members meeting, the Alliance Holiday Festivities Meeting. Please save the date for December 23, 2020 at 4:00-5:00PM ET. We will be hosting a surprise speaker and ask that you bring to the meeting one funny item (e.g. Christmas sweater).

*Please note a prior email stated December 3, 2020 as the date for the next big Alliance members meeting. This was a typo. The next meeting will take place on December 23, 2020.*

Also, a reminder that we are hosting two charter drafting sessions this week for establishing a Collaborative Community. All members are encouraged to participate in one or both sessions:

- November 10, 2020 3:00PM ET: an in-depth session going through the document and making changes to the wording. Please come prepared by reviewing materials [HERE](#).
- November 13, 2020 10:00AM ET: discuss next steps and possible roles. Please register [HERE](#).

There are a number of exciting events of interest over the next few weeks as we close out the year. Please find below a list of the dates and helpful links for these events:

- November 10 8:00-9:00AM ET: CID-Weekly: MDIC at MGH - Register [HERE](#).
