HR 2
JOB VACANCY- Community Health Officers (CHOs).

Organizational Description.
Village HopeCore International (HopeCore) is a registered Non-Profit making organization (NGO) running Economic empowerment and disease prevention programs in Tharaka Nithi County. HopeCore promotes sustainable livelihoods and family health for the underserved population through Micro Enterprises and Public Health Programs.
We intend to recruit 2 Highly Qualified Community Health Officers (CHOs) to support the expansion of the Community Health Program to Tharaka South.

Job Overview;
The Community Health Officers (CHOs) will be responsible for implementing HopeCore’s Community Health Program in Tharaka South Sub-County. The CHOIs shall report directly to the Community Health Project Coordinator.

Key Responsibilities of the post
• Support in identifying training needs for the CHVs in Tharaka South.
• Conduct training to build the capacity of CHVs.
• Participate in CHVs monthly feedback meetings and provide reports promptly.
• Conduct quarterly CHEW/CHA feedback meetings and provide reports.
• Offer field-based support supervision and on-job coaching to Community Health Volunteers.
• Write and present necessary reports on the program progress weekly and monthly.
• Design and implement locally adopted Behavior Change Communication (BCC) strategies for Reproductive Health, Hygiene, Sanitation, and Maternal Child Health in Tharaka South.
• Take the lead in social mobilization, facilitation, and sensitization on community Health promotion interventions.
• Participate in planning and administering health surveys and assessments; and monitoring and evaluating the Community Health Program.

Qualifications, Skills, and Experience
• Holder of a Diploma in Health Science/Social work/Community Development/Community Health/Public Health or any other related profession.
• The candidate MUST have a valid Motorcycle Driver License; and at least one year of experience.
• Minimum of 2 years work experience in a Community Health-related program.
• Proficiency in English and Kiswahili.
• The applicant **MUST** be familiar with the routes and Community Health Units in Tharaka South.
• Computer literate
• Certificate in Leadership, TOT, ICCM, HTS, Sexual Reproductive Health, and any similar training would be an **added advantage**.
• Demonstrate excellence in social mobilization, coordination, and networking.

**Other Competencies**
• Demonstrate high levels of integrity.
• Good Interpersonal Relationships.
• Innovative, quick learner, self-starter, and result-oriented.

**How to apply.**
Interested candidates should submit an application letter and their resume/CV and certificates to [hiring@villagehopecore.org](mailto:hiring@villagehopecore.org), indicating the job title as the subject. Applications should be submitted no later than **13**th February 2022.
