ST. LAURENT GIN (43% ABV) HAND-CRAFTED GIN

St. Laurent Gin (43% ABV) is a complex gin born of an unlikely union of spices hailing from the four corners of the globe and seaweed of the St. Lawrence River. Experience a breath of salt-sea air, of powerful herbaceous and floral notes interspersed by a pine aroma reminiscent of the Quebec boreal forest.

ST. LAURENT VIEUX GIN (47% ABV) BARREL-AGED GIN

Every month, a small percentage of St. Laurent Gin production is diverted to old whiskey barrels. The famous Gin flavored with seaweed becomes the St. Laurent Vieux Gin (47% ABV) after resting for more than a year in oak barrels. A gentle and aromatic approach: the juniper expresses itself slowly and without astringency, then gives way to long grass, pepper, and candied citrus notes. The seaweed infusion leaves a lingering woody finish that is slightly salty.
