By booking you give permission for your contact details to be retained on our computer system. Customers are required to review their booking summary, as errors must be corrected within 48 hours of receipt, or standard charges/policies apply. All campsite & caravan park booking summaries will contain a unique barrier code for access to the site, this code is not transferable and must be brought with you for the duration of your stay. The code expires at 12noon on the day of your departure.

Duration of Stay Caravanners/campers are permitted to stay for a maximum of 27 nights.

Party Size / Age Restrictions A maximum block booking of 3 serviced hard stands is permitted with a maximum of 6 persons staying per pitch. Persons under 18 years of age are not accepted unless with family members or qualified leaders of a recognised club or organisation, who will be responsible for their conduct. As we are a touring caravan park we cannot accommodate those using caravans for residential or employment purposes.

Camping Maximum tent size is 8 man tent with prices confirmed at time of booking based on number of campers. Due to limited space available in camping area and variety of tent sizes, please discuss your requirements at time of booking.

Cancellation/Refunds A minimum of 2-weeks written notice (by email), in advance of arrival date will be required from anyone wishing to cancel their booking. If more than 2-weeks is given, the booking may be re-arranged to another available date within the season (although additional payment will be required for movement from a lower rate to higher rate) or alternatively a refund can be given minus a **20% administration charge**. Cancellations within 2-weeks of the customer's arrival date will not be transferable or refunded unless in exceptional circumstances such as serious illness or family bereavement. (Appropriate documentation must be forwarded in order to process this refund, minus

a 20% administration charge.) Customers are advised to have insurance cover in the event of cancellation.

No Shows Failure to arrive without satisfactory explanation or written cancellation being received will receive no transfer or refund. If no notification is given and the pitch is not occupied by 2pm on the day following the day of expected arrival, we reserve the right to re-let with payment forfeited.

Extended Stays Extensions can be arranged, subject to availability and possible relocation, although there is no guarantee that pitches can be extended beyond the date booked. If you wish to extend your stay please contact our Reception on 028 8299 0004.

Site Selection/Allocation Sites are randomly allocated in accordance with your booking requirement of an awning or non-awning pitch. Unfortunately once a pitch has been booked there can be no relocation (unless another site is unoccupied), since all customers will have their pitch allocation specified on their booking receipt. Customers who have a special requirement to be close to the amenity block should speak to staff directly (our Reception can be reached on 02882 990004).

If there is no availability showing for the length of stay that you require, please DO NOT make multiple bookings, unless you are prepared to move pitches during your stay, as each booking will have a different pitch allocation.

Arrival/Late Arrivals Your arrival is welcome from 2pm onwards. On arrival you will enter the park via barrier using the code generated exclusively for you at time of booking. Please note these codes are all unique and must not be transferred or swapped. Only persons and pets declared will be accommodated. Except by prior arrangement, we will not have space if you arrive early.

All caravans must set up in positions, as indicated on your booking summary. Before pitching up please ensure that you have the correct pitch to avoid being asked to move.
