

THIS IS PUTTSHACK.

Puttshack is a 'World's First' social entertainment concept, using ground-breaking patented technology to catapult the traditional game of mini golf into a cutting edge gaming phenomenon.

The revolutionary Trackaball™ has a tiny micro-computer in the core of the golf ball which facilitates automatic point scoring, leaderboards, and intuitive gameplay.

Combining the finest hospitality and food & beverage, with award winning design; to transform miniature golf from a traditional 'family only' activity into an unprecedented high-tech social experience.

Puttshack is quite simply, the most incredible mini golf concept in the world.
