

# NY-19

## WHO'S IN THE RACE

### Marc Molinaro (R)

Serving as US Representative for NY-19 since 2023. Molinaro won his last election by less than 5,000 votes, with only 50.8% of the vote.

### REPORT CARD:

**National Right to Life Committee: 100%**

**Gun Owners of America: 100%**

**National Rifle Association (NRA): 100%**

### ON THE ISSUES

#### Gun Safety:

- Voted against **32** common sense gun safety bills while serving in the NY State Assembly
- Has attended multiple "Friends of NRA" events
- Maintained an A rating from the NRA during his time as a state representative

#### Health Care:

- Repeatedly voted to ban using Medicaid funds on abortion care
- Voted for a bill that would prevent military personnel from getting reimbursements for out of state travel for abortion care

#### Accountability:

- Supported Speaker McCarthy's impeachment inquiry into President Biden
- Lives in NY-18, while representing NY-19
- Accused of multiple campaign finance violations
- Transferred money from his campaign accounts to an anti-choice group that spreads misinformation about abortions

#### Economy:

- Voted against the Build Back Better Act, which would have provided trillions of dollars of investments for infrastructure improvements and economic growth
- Opposes President Biden's proposed federal student loan forgiveness

## WHY IT MATTERS

#### **Competitive but Winnable Race:**

- The Cook Political Report ranks this race as a toss-up, and with enough Democratic turnout, we can unseat Rep. Molinaro
- Early and consistent outreach to potential voters will be key to victory in this race
