36th Edition Theme

36. Udgave Tema

[EN] When our lives were completely changed in 2020, we all had to find ways to cope with the crisis. With the arrival of 2021, we realise that we need to make our peace with shifting realities and the new way of things.

As certainties and foundations in our lives, once solid, suddenly become blurry and shifting, we're forced to question and re-establish relationships with ourselves and others, and once again make sense of what it means to be together, close and emotionally connected.

Playing with feelings of change and uncertainty, the visual identity for the 36th edition of theMIX COPENHAGEN LGBTQ+ Film Festival explores the concepts of blurry lines, constellations, and shifting energies. Our 2021 identity shows that even though things are hard to define in the moment, we can slowly and steadily begin to find meaning again.

[DA] Vores liv ændrede sig fuldstændigt i 2020, og vi måtte finde måder at klare krisen på. Nu da vi er i 2021, er vi blevet bevidste om, at vi har brug for at finde os tilpas i en skiftende virkelighed og den nye tilgang til altting.

Idet vores fundamenter og sandheder, engang urokkelige virkeligheder, pludselig bliver utydelige og uvisse, er vi nødsaget til at stille spørgsmålstejn ved, og retablere forholdet til os selv og andre og igen finde ud af, hvad det betyder at være sammen, nærværende og følelsesmæssigt forbundet til hinanden.

Da vi leger med følelser af forandring og usikkerhed, er det visuelle tema for den 36. udgave af MIX COPENHAGEN LGBTQ+ Film Festivalen en udforskning af konceptet af sløred linjer, konstellationer og skiftende energier. Vores identitet for 2021 viser, at selvom tingene er svære at definere i nuet, kan vi igen, langsomt, begynde at finde mening.

About MIX

Om MIX

mixcopenhagen.dk

[EN] MIX COPENHAGEN was founded in 1986 and is now the oldest annual film festival in Denmark, as well as one of the world's oldest LGBTQ+ film festivals. We are a volunteer-run organisation run by passionate LGBTQ+ film lovers who use our spare time to make MIX CPH a spectacular event, not just for the LGBTQ+ community, but for all of Copenhagen and beyond.

We are therefore dependent on, and deeply grateful for, the support we get from the community, our business partners, and everyone who helps us reach our goal: to show films that question and challenge the boundaries seen with mainstream portrayals of gender and sexuality, and to reflect the diverse world we live in.

Follow us on Facebook and Instagram to keep up to date with everything MIX CPH. Share your MIX experiences and pictures from this year and tag us using @mixcph.

[DA] MIX COPENHAGEN blev grundlagt i 1986, og er nu Danmarks ældste årligt tilbagevendende filmfestival, samt en af verdens ældste LGBTQ+ filmfestivaler. Vi er en frivillig forening drevet af passionerede LGBTQ+ filmelskere, der bruger vores fritid på at gøre MIX CPH til en spektakulær begivenhed, ikke blot for LGBTQ+ miljøet, men for hele København og langt ud over byens grænser.

Vi er derfor dybt afhængige af og taknemmelige for den støtte, vi får fra queer miljøet og vores samarbejdspartnere og for alle, der hjælper os med at nå vores mål. Vi bestræber os på at vise film, der udforsker og udfordrer grænserne for mainstreamens skildringer af køn og seksualitet.

Følg os på Facebook og Instagram og hold dig opdateret på alt fra MIX CPH. Del dine MIX-oplevelser og billeder fra i år og tag os på @mixcph.

Welcome

[EN] Welcome to the 36th edition of MIX COPENHAGEN LGBTQ+ Film Festival. This year, we think this welcome means something extra special. The COVID-19 pandemic threw the world into crisis, making us all question how we combat isolation and create togetherness while still keeping each other and ourselves safe. We at MIX CPH, one of the oldest LGBTQ+ film festivals in the world, are thankful to our loyal audience for always showing up for us and each other, and for the many ways queer folks create community as we all start to adapt to a new reality.

This is why we've worked hard this year to bring you a festival built on the same idea that is reflected in 2021's visual identity: "Blurred Constellations." Our networks are fluidly and tenuously reforming and expanding just like the universe, and so are the ways you can interact with MIX this year, from films, to virtual and in-person activities, to a new podcast season (p.76) and the 2nd edition of our Industry Weekend (p.99) that will gather local and international filmmakers and industry professionals for a series of events.

As you read through this program, we'd like to draw your attention to some exciting themes in the line-up of films. First is Fight Back, a theme for queer resistance, exemplified in films such as 'March for Dignity' (p.45) and 'Nico' (p.46). Another strong theme is Racialised, Queer and Unstoppable with the feature film 'La Leyenda Negra', and the documentary 'I Am Samuel', and the short film program Colouring The Queer Screen (p.92), consisting of 6 short films about QTBIPOC (Queer, Trans, Intersex / Black, Indigenous, People of Colour) love, power and resistance. In a queer film landscape that often feels starved for good lesbian representation, this year we are overjoyed to bring you films like

'Bliss' (p.19) and 'Forgotten Roads' (p.33). The theme Let's Talk About Sex (p.26) presents a selection of films that look at sex from different angles, whether it's a queer twist on sex education in 'A Sexplanation' (p.27) or an exploration of the parallels between sex and religion in 'Passion' (p.27).

In keeping with our longstanding focus on Nordic film, not only is fan favourite program Nordic Lights (p.64) back, but we've also curated a Danish Delights program (p.30) featuring top-tier Danish, short-form queer cinema. Speaking of short films, we've collaborated with Oska Bright Film Festival on a short film program that centers queers with disabilities (p.71).

Out of a desire for community despite the isolation of the pandemic, in 2020 we created our first online festival, MIX@Home. This was such a success that we are continuing it this year, from November 1 - 15. MIX@Home allows us the opportunity to spread queer cinema to all of Denmark, so we'll be streaming a selection of films and events from our program this year for you to enjoy (see more info on p. 57).

It goes without saying that this festival would not be possible without you, our dedicated audience, the tireless volunteers, and all our partners, especially DFI and Copenhagen Municipality. Our community helps us push gender and sexual boundaries, create space for marginalised folks, and draw attention to works of art that exist outside of the often whitewashed, cisheteronormative mainstream. We say a massive thank you!

See you in the dark.

MIX COPENHAGEN 2021

Velkommen

[DA] Velkommen til den 36. udgave af MIX COPENHAGEN LGBTQ+ Film Festival. At byde jer velkommen, synes vi er særlig specielt i år. COVID-19 pandemien skabte kaos i verden, og fik os til at sætte spørgsmålstege ved, hvordan vi kæmper mod isolation, og hvordan vi finder samvær men også tryghed i os selv og hinanden. Hos MIX CPH, en af verdenens ældste LGBTQ+ filmfestivaler, påskønner vi jer, vores loyale publikum, og at I altid støtter op om os og hinanden. Vi er også taknemmelige over at se de mange måder queers skaber sammenhold på og adapterer til den nye virkelighed.

Derfor har vi arbejdet hårdt i år for at præsentere en festival, der er baseret på samme idé, som 2021's visuelle tema afspejler: 'Slørede konstellationer.' Vores netværker er stille og roligt ved at forme sig og ekspandere - ligesom universet, og på samme måde kan man interagere med MIX i år; fra film til virtuelle og fysiske aktiviteter, til en ny podcast sæson (s.76) og anden udgave af Industry Weekend (s.99), som samler lokale og internationale filmskabere og branchefolk til en række arrangementer.

Mens du kigger programmet igennem, vil vi gøre særligt opmærksom på nogle spændende film-temaer. Først kan nævnes Fight Back, et tema om queer modstand, for eksempel i filmene 'March for Dignity' (s.45) og 'Nico' (s.46). Et andet rigtigt stærkt tema er Racialised Queer and Unstoppable (s.XX), som man kan finde i spillefilmen 'La Leyenda Negra,' i dokumentarfilmen 'I Am Samuel', ligesom i kortfilmprogrammet Colouring The Queer Screen (p.92), som består af seks kortfilm om QTIBPOC (som står for Queer, Trans, Intersex / Black, Indigenous, People of Colour) kærlighed, magt og modstand. I et queer filmlandskab, som ofte sulter efter god lesbisk repræsentation, er vi

begejstrede for at vise blandt andet 'Bliss' (s.19) og 'Forgotten Roads' (s.33). Temaet Let's Talk About Sex (s.26) udforsker sex fra forskellige perspektiver, uanset om det handler om et queer twist på seksualundervisning i 'A Sexplanation' (s.27) eller parallellerne mellem sex og religion i 'Passion' (s.27).

I overensstemmelse med vores langvarige fokus på nordisk film kommer vi igen i år med publikumsfavoritten Nordic Lights (s.64) men også med et håndplukket Danish Delights program (s.30), der præsenterer fremragende nordiske og danske film i kortformat. Når det kommer til kortfilm, har vi desuden lavet et samarbejde med Oska Bright Film Festival om et kortfilmprogram, der specifikt omhandler queers med handicap (s.71).

Fordi vi længtes efter fælleskab på grund af pandemi-isolation i 2020, oprettede vi vores første online festival, MIX@Home. Dette var så stor en succes, at vi fortsætter i år, fra den 1.-15. november 2021. MIX@Home giver mulighed for at udbrede queer film til hele Danmark, hvor vi stiller et udvalg af film og events fra programmet til rådighed for streaming til din fornøjelse (se mere info på s.57).

Det siger sig selv, at MIX COPENHAGEN ikke er muligt uden jer: vores dedikerede publikum, de utrættelige frivillige og vores partnere, især DFI og Københavns Kommune. Vores fællesskab hjælper os med at rykke grænser om sex og køn, skabe plads til marginaliserede mennesker og sætte fokus på kunstværker, der eksisterer udenfor den ofte hvide, cis-heteronormative mainstream. Vi siger tusind tak!

Vi ses i mørket.

However, to make our events more accessible and create safer spaces, we have developed a photo policy, which lays out the specifics of photographing at all MIX CPH events.

- All photo-free events will be clearly labelled and identified prior to the start of the event.
- Pre-premiere events are always photo-free.
- If the event is not labelled as photo-free, it will be photographed.
- Events with a special photo policy will be clearly labelled in the event description, e.g. when the audience will not be photographed.

Photographers will be introduced at the start of an event and we welcome people to tell the photographers if they wish to not be photographed.

If you have questions or comments, please contact us at

[DA] Billeder og videoer af vores events har altid bidraget til den samlede MIX-oplevelse ved at indfange særlige øjeblikke, vi deler med vores publikum på tværs af digital platformer, såsom vores hjemmeside og Instagram. For at gøre vores events mere tilgængelige og skabe trygge rammer, har vi udviklet en fotopolitik, som beskriver specifikationerne for fotografering ved alle MIX CPH events.

- Alle fotofrie events vil være tydeligt markeret inden eventet starter.
 - Forpremierer er altid fotofrie.
 - Hvis et event ikke er markeret som fotofrit, vil der blive fotograferet til eventet.
 - Events med en særlig fotopolitik vil være tydeligt markerede i beskrivelsen, f.eks. hvis publikum ikke vil blive fotograferet.
 - Fotografer introduceres ved evenets begyndelse og alle opfordres til at informere fotografen, hvis ikke de ønsker at blive fotograferet.

The background image shows a vast landscape with rolling hills and mountains. The upper half of the image is dominated by mountains with slopes covered in autumn-colored trees, ranging from deep reds to bright yellows. Below the mountains is a large body of water, possibly a lake or a wide river, with a dark, rocky shoreline visible on the right side. In the foreground, a person wearing a teal-colored jacket is sitting on a grassy hill, looking towards the left. The overall atmosphere is serene and natural.

Selvom Nicos fysiske bedring går hurtigt, ser vi snart - igennem hendes isolering fra Rosa og tiltagende opgivethed - det fulde omfang af, hvad det vil sige ikke at føle sig utryg i sin egen hud. To ting kan dog måske medvirke til Nicos comeback: den selvtillid hun begynder at mærke med en karatetræner og en voksende intimitet med en mystisk ung kvinde.

[EN] In the late '60s, cult director John Waters put together an entourage of punks and queers. They became the infamous Dreamlanders Crew, who in the following decade - with Waters' 16mm camera as a weapon - smashed all bourgeois morality and good taste to pieces. Psych-Out! and MIX CPH join forces to screen the trash gem 'Female Trouble' together with the equally wild 'Pink Flamingos'. Both with infamous drag queen Divine at the center. //The bar is open before and between the two films. Expect beats on the gramophone and cold beer on tap.

[DA] Sidst i 60'erne samlede kultinstruktøren John Waters et slæng af punks og queers. Psych-Out! og MIX CPH slår sig sammen for at vise trash-perlen 'Female Trouble' sammen med det lige så vilde forspil 'Pink Flamingos'. Begge med den berygtede drag-dronning Divine i centrum. //Baren er åben før og mellem de to film - med blæs på grammofonen og kold øl i hanen.

Filmen handler om trauma - hvordan det kan mislede og undertrykke hukommelsen, samt gøre det svært at være ærlig over for sig selv og andre mennesker. Den førende libanesiske dokumentarinstruktør Eliane Raheb kombinerer kreative teknikker og stilarter for at udforske motivets liv og traumer.

To get sharp, it is my dream, the marasmus
bothers me and like wet glass's edge,
instead of the high sound you feel the void
inside me when you play with the surface.
Can you feel me, like touching mirror's
second side, the blizzard's flash lasts for
two seconds and exhausts us? Is 2020/21
period real - unfortunately, yes.

Like a karambit and opens my heart for
new people and possibilities, the eternal
consciousness it's shards is stabbing into
me, for open relationships and living the
kairos, as before here I've had everything
planned and average. In Denmark everything
is random, my energy's stone is red like in
the Sims, yet I'm scoring manic platinum.

Special Screenings

[EN] Films can gather people, spark conversations and strengthen communities. We know this and that's why we're creating spaces for the audience to experience that magic together! This year, MIX COPENHAGEN has two special screenings: One for the trans and non-binary community and one for the QTIBIPOC community. These screenings are exclusively for the members of these communities. The initiative seeks to create a space where the cinema goers can see themselves represented not only on the screen but in the audience as well. The idea behind this is to gather two minoritised queer communities to experience films together and have a good time.

Trans and non-binary screening

I 2021 vil programmet tilbyde paneler, talks, en række networking- og sociale events, samt den anden udgave af MIX Pitching konkurrencen - Queering the Pitch. Mange af de filmskabere, hvis film vi er heldige at vise på dette års festival, vil desuden medvirke i Q&As og introduktioner af deres værker.

En del af arbejdet med MIX Industry Weekend er at skabe et netværk af lokale branchefolk. Hvis du er filmskaber, en del af miljøet og har base i Danmark, vil vi meget gerne høre fra dig! Om du er veletableret i branchen, eller i de første år af din karriere, er du velkommen til at tage del i netværket af lokale queer filmskabere, hvor der kan deles ressourcer og muligheder. Du vil få mulighed for at deltage i fremtidige debatter, foredrag, paneler og andre events præsenteret af MIX CPH.

Branchefolk og aspirerende filmskabere kan deltage i branchearrangemerterne ved at købe en Industry Akkreditering.

Curating Queer Film Festivals

Kuratering af queer filmfestivaler

↳ 23/10 [12:00-13:15]
@Kunsthall Charlottenborg

Requires Industry accreditation

[EN] There is inherited power in the process of curating. That power is manifested in the practice of organising and ordering things, and producing a meaning and a place for the people in relation to that order. The aim of this panel is to look at queer film festivals with a critical eye and explore both the importance of curating queer film for the LGBTQ+ community and the potential barriers program curators are faced with on an organisational, institutional and cultural level.

[DA] Der er underliggende magt i kuratings-processen. Den magt manifesteres i praksissen at organisere og strukturere, samt producere betydning og en plads til folk i relation til den struktur. Målet med denne paneldebat er at rette et kritisk blik mod queer filmfestivaler og undersøge både vigtigheden af at kuratere queer film for LGBTQ+ miljøet, men også de potentielle barrierer programlæggere og kuratorer møder på et organisatorisk, institutionelt og kulturelt plan.

QTIBIPOCs og adgang i filmindustrien

@Kunsthall Charlottenborg

[EN] It can be challenging for racialized queer filmmakers to set a foot in the film industry. In this panel with only QTIBIPOC film professionals, we will highlight what creates obstacles for QTIBIPOC's access today and discuss how we actively improve access to schools, funding and institutions. We'll explore what changes need to be made and how aspiring film professionals who are racialised and queer/trans can break through the gates!

[DA] Det man være udfordrende for racegjorte queer filmskabere at sætte en fod i filmindustrien. Dette panel, bestående udelukkende af QTIBIPOC filmprofessionelle, vil vi fremhæve, hvad der skaber udfordringer for QTIBIPOCs og diskutere hvordan vi aktivt kan forbedre adgang til skoler, midler og institutioner. Vi vil undersøge hvilke forandringer der er behov for inden for branchen, og hvordan nye filmfolk, som er racialiserede og queer/trans, kan storme portene til filmindustrien!

The Politics of QTIBIPOC Representation

QTIBIPOC repræsentationspolitik

[EN] There is an increased awareness on "representation" but how does that affect racialised queer bodies and the way they're portrayed on screen? In this panel we will discuss dynamics of QTIBIPOC representation and the importance of representation. Together we'll try to answer the question: What is the difference between simple tokenisation and representation that creates political change?

[DA] Der er et øget opmærksomhed på "repræsentation", men hvordan påvirket dette racegjorte queer kroppe og måden de er portrætteret på lærredet? Sammen vil vi forsøge at besvare spørgsmålet: Hvad er forskellen mellem simpel tokenisering og repræsentation, som skaber politiske forandringer?

Queering the Pitch

[EN] MIX CPH continues to strive to create more opportunities for local filmmakers. Following the first successful edition of Queering the Pitch in 2020, MIX CPH's pitching competition for short films is back! We are thrilled that the winning project from last year, 'Live Laugh LARP', is going to premiere at MIX CPH 2021 in our Nordic Lights program.

The aim of Queering the Pitch is to encourage both aspiring and established filmmakers to create queer cinema that will push and explore what queer filmmaking means. We invite everyone with a relevant idea or script to submit for consideration.

The competition is open to short fiction, documentary, or web series pilots that have relevant LGBTQ+ themes and subject matter.

The winning project is awarded a monetary prize of 20.000 kr. to cover production costs, 50.000 kr. worth of film equipment rental from Odense Filmværkstedet, and a guaranteed spot in the Nordic Lights short film program that will be screened in MIX COPENHAGEN 2022.

Nordic Lights is an annual MIX CPH film program which has become an audience-favourite that is also screened at several other festivals throughout the year, thus ensuring international exposure.

The competition consists of two stages, starting with a written application and followed by the opportunity for short-listed applicants to pitch their projects live to a jury of renowned professionals. The winner will be selected after the live pitching session on Sunday 24/10. You can find all information about MIX CPH's pitching competition at (mixcopenhagen.dk/queering-the-pitch).

The prizes for Queering the Pitch are generously provided by Odense Filmværkstedet.

MIX CPH bestræber sig fortsat på at skabe flere muligheder for lokale filmskabere. I kølvandet på en succesfuld første udgave af Queering the Pitch i 2020 er MIX CPHs kortfilm pitching konkurrence tilbage. Det er med stor begejstring at vi kan dele, at det vindende projekt 'Live Laugh LARP' har premiere ved MIX CPH 2021 blandt andre kortfilm i programmet Nordic Lights.

Målet med Queering the Pitch er at støtte og opmuntre både aspirerende og etablerede filmskabere i at skabe queer filmkunst, der rykker grænser og udforsker, hvad queer filmproduktion betyder. Vi inviterer derfor alle med en relevant idé eller manuskript til at indsende deres bud. Konkurrencen er åben for fiktion, dokumentarer eller webserier i kortfilmsformat, der handler om relevante LGBTQ+ emner.

Vinderprojektet bliver tildelt en pris i form af 20.000 kr. til produktionsomkostninger samt udstyrssleje til en værdi af 50.000 kr. fra Odense Filmværkstedet.
Derudover bliver vinderen også garanteret en plads i vores Nordic Lights program, der vises ved MIX COPENHAGEN 2022.

Nordic Lights er et kortfilmsprogram, der ikke blot er en favorit blandt vores publikum, men som også screenes på flere udenlandske festivaler hvert år. Der er derfor garanteret international eksponering til det vindende projekt.

Konkurrencen forløber i to faser: Første fase er at indsende en skriftlig ansøgning. Alle ansøgninger tages i betragtning, og i anden fase får de udvalgte mulighed for at pitche deres projekt foran et publikum og en jury bestående af anerkendte branchefolk. Vinderen udnævnes efter pitching-fasen den 24. oktober. All information om MIX CPHs pitching konkurrence 2021 kan findes på (mixcopenhagen.dk/queering-the-pitch). Præmien for Queering the Pitch er generøst stillet til rådighed af Odense Filmværksted.
