7. General Secretary’s Report  
Dr Morris reported:  
- The Connexional Team has set up a small group to look at the issue of growth and are tasked with developing a plan/strategy for a 5 year period. The small group consists of people on the ground, Pioneer mission leaders and young people. Reporting to the Connexional Team is due at the end of the first quarter 2023.  
- Cost of living crisis – CSR and Estates team – the Governance Board acknowledges work already done and that which is continuing to be done by Societies. Some churches are looking to open for longer hours in order to serve local communities and the Methodist Church in Ireland is willing to support these initiatives. The Estates team is looking at green energy sources which may help Societies in their efforts.
- The Church Leaders Group met the Secretary of State for NI and there is a planned meeting with the President of Ireland. It is important for the Methodist Church in Ireland to be a voice for reconciliation.
- Recordkeeping – There are multiple places within the Methodist Church in Ireland in which records have been kept in the past, and it is proposed that the new HR system/TUPE will help to integrate and consolidate these records. HM is actively working on this.
- The Methodist Church in Ireland has produced a study guide on Israel/Palestine called “The (un)Holy Land”. Correspondence has been received and replies have been sent.

8. Administrative Items
2) Edgehill Theological College was previously a separate charity to that of MCI. The two have now been incorporated and HM expressed thanks especially to David Best, David Campton who have worked very hard on this long and complicated process. Final date of transition is possibly end of November, subject to legal confirmation.
3) DCM DAC is a company limited by shares. There is one share which is owned by MCI. One member of the Governance Board to attend the Annual meeting and sign off on the accounts as a representative of MCI. David Best to attend on 23rd November at 8pm on Zoom.
4) Ulster Bank accounts – Clontarf Methodist to move their bank account from Ulster Bank to AIB. Approved

9. Finance
Tony O’Connor welcomed Nicola Robinson to the meeting and expressed the appreciation of the Board for all the work that she and the Finance team were doing. Ms Robinson gave an update on the report (012_22.11_09 Finance Report, previously circulated), highlighting the following:

a) Audited Accounts
Should be available to sign off by the end of November. Audit Committee to examine the accounts and then NR to present them along with explanation of variations to the Governance Board for approval by end of November as indicated to CCNI. Short meeting by Zoom to be arranged for this purpose.

b) Budget Process
NR confirmed that the Finance department is on track to complete the schedule as outlined at previous meeting. From early 2023 quarterly reports for Connexional Funds & Departments should be available for the Governance Board, and the 2022 Consolidated Accounts are scheduled for Audit in April 2023.

c) Closure of Ulster Bank accounts
Deadline is 6th December – N Robinson to bring a backup plan to the meeting at the end of November when the accounts are being signed off.

10. Policy Review
Fraud Policy – The revised version is complete with the exception of some minor wording changes.

Health & Safety – It was acknowledged that this was an area which can be very complex and lengthy. It was decided to develop a comprehensive but summary template that societies can easily follow. There are existing Heath & Safety policies in different departments within the Methodist Church in Ireland. It was suggested to contact the Methodist Insurance company and IMYC as they have some policies already in use, which could be used as a template.

Action H Morris
