

1968-69 BLACK & WHITE POSTCARDS

These black and white postcards are all full length poses of Montreal Canadiens players. The player's uniform number on their sleeve is located between the stripes. The postcards have a glossy finish, with boards slightly visible in the distant background, and a row of lights across the top of the postcard. The postcards were issued with a white facsimile autograph near the bottom. All postcards have blank backs. This was the last year of black and white postcards.
