The Democratic Staff of the House Committee on Veterans’ Affairs seeks legislative and press/digital interns. Responsibilities include but are not limited to conducting legislative research, managing and responding to constituent correspondence, attending briefings and hearings for staff, compiling press clips, drafting communications materials, and other tasks depending on the needs of the Committee and the intern’s interests.

Qualified candidates will have strong oral and written communications skills, be detail-oriented, and have a desire to help veterans and learn about the Committee and legislative process. In an effort to build a diverse and more inclusive work environment, the Committee strongly encourages veterans, minority, women, people with disabilities, LGBTQ+ candidates, and HBCU and MSI students to apply.

This is a paid internship that can be a full-time or part-time position. This position is expected to be remote with the possibility of it being in-person. If the internship transitions to fully in person, the position can continue to be remote depending on interns’ circumstances.

To apply, fill out the online form and submit a resume and cover letter at This Link. Applicants who apply by November 15 will be prioritized. Applicants will be contacted if they have been selected for an interview. If applicants have additional questions about the internship, contact Veterans.Internships@Mail.House.Gov.
