

# COALITION *for* HEALTH FUNDING Member Benefits

## An "Extra FTE"

CHF members get the value of an additional full-time employee for a fraction of the cost. CHF provides intelligence and expertise on the appropriations process and assistance with administrative tasks through its various member services, including:

- A daily newsletter summarizing the most important health funding and health policy news
- Tracking of every Member of Congress's appropriations request forms and deadlines
- Summaries of funding and authorizing legislation for health programs
- Advocacy resources including one-pagers, PowerPoint presentations, talking points, and more to help your organization make the case for increased health funding

## A Diverse Professional Network with Development Opportunities

CHF has more than 80 members including patient advocacy, provider, public health, and scientific research groups. CHF serves as a channel for our members to communicate with, learn from, and support each other's advocacy efforts through:

- Advertisement of events, sign-on letters, advocacy campaigns, and more in the Member Update
- Networking events and opportunities
- Open forums designed to share best practices, intelligence, and other helpful resources as well as deep-dive educational events on the budget and appropriations process
- Opportunities to serve in leadership positions within the Coalition

## Increased Visibility to Policy Makers & the Advocacy Community

CHF highlights the work our members do by:

- Providing opportunities to speak on expert panels
- Coordinating Hill Days where members can discuss the importance of broad increases in health funding to their organizations
- Creating advocacy tools and reports that highlight our members' work and various initiatives

More information on membership dues levels and categories can be found [here](#).
