Impact Services builds collaborative partnerships to empower people with the skills and resources needed to reach their highest potential, and provides a continuum of housing to more than 200 veterans nightly.

### Workforce Development
Impact Services provides training and job placement to help people re-enter the workforce after incarceration. We also help match businesses to labor forces.

### Community & Economic Development
We bring community members, city officials, and local businesses together to build a strong and healthy Kensington. Impact Services works on Aramingo Avenue, Kensington Avenue, and Richmond Street linking businesses to City resources and real estate connections.
