

## Miracle List for Self-Deliverance

God loves you dearly & wants you well. Your condition is serious & prayer & Bible study alone will not work. This list will. This list has healed hundreds. Treat it like a college course. Take it slow & sure. One step at a time, not all at once.

Go to the web site & read about all the testimonies of people who have done the list. ([www.hardcorechristianity.com](http://www.hardcorechristianity.com)). Hit the "Testimonial" button. Go to the Facebook site "Blessings" & read about all the miracles people received after following the list. It will encourage you. This list will allow you to weaken the demonic strongholds in your life and cast them out forever.

To remove sin, sickness, curses & spirits you must weaken them first. Once weakened, they are easy to remove. This list will break their hold on your life & their power. Perform it with everything you have. You must fight for your life.

Demons get into the person in layers, so to speak. You must start to remove the layers. It's a process. You did not get into this condition overnight & you won't get out of it overnight. When all the layers of wounds & spirits are removed you will be cured & heading into your new destiny in Christ. Here are a few tips that will speed up the process for you. It must be done with sincerity, precision & desperation:

1. Make a literal numbered list of all the people in your life that have hurt you significantly from childhood to present, dead or alive. Pray Mt. 5:44 over each of them *exactly* as the verse is written. Repent to God for holding bad feelings and emotions toward them. You must not only *forgive* them but release the *ought* (negative emotions) in your soul for them. Pray sincerely and fervently for them (Mt. 6:14-15, Col. 3:12-13), if they are still alive (for parents see #3).
2. Make a literal numbered list of all the things you do not like about yourself. *Repent* over each of them. Release and forgive yourself. Pray hard and release the *ought* (negative feelings) you have for yourself. Release your *mistakes* and *regrets*. *Don't stop* until all the emotions of self disgust, self hate & condemnation are gone. If you have bad feelings about yourself it will block your recovery and deliverance. Self hatred is as bad as hating others.
3. If you were raised by dysfunctional parents and you rebelled against them in your youth and dishonored them, the demons put a curse on you (Gen. 9:24-27, Ex. 20:12, Dt. 5:16, Eph. 6:1-3, Dt. 27:16, Mt. 15:4) even if your parents were at fault. Renounce and repent of this sin. Apologize to them if they are alive. Apologize to God. Release them out of your soul to God and let them go.
4. Make a literal list of the top 10 negative thoughts spirits put into your mind every day. Repent of receiving & believing them. Reject, renounce & rebuke each of them *separately* & cast them out forever (II Cor. 10:3-5). Find a Scripture that contradicts each of them (Isa. 26:3). Replace them

(Phil 4:8). Write it down! Apologize to God for listening to demon thoughts in your mind and not His Word (Col. 3:16).

5. Pray aggressively for the Gift of Godly Sorrow. Of all the people you may have hurt over the years, including yourself, actually hurt your Heavenly Father the most. He was wounded by your behavior. Sorrow for hurting Him is healing & life changing (II Cor. 7:8-10). Your tears will heal you (Ps. 56:8, Rev. 7:17, 21:4).

6. If you are able, start speaking in Tongues off and on all day (read my web site article "Glossa" on the "Teaching" page). The demons hate it & don't know what you are saying or how to stop the prayers. The Holy Spirit interprets the language & applies it to your needs (I Cor. 14:2,4,14,15,18,22,32,39.). If not able, go to next step.

7. Read John 14, 15, 16 and Mt. 8, 9 over several times & absorb as many of these wonderful life saving truths you can.

8. Watch the video 'Overcoming Rejection' or 'Anxiety Disorders' or 'Miracle Blockers' or 'Auto Immune Diseases' or 'Ministering to the Mentally Ill' depending on your situation. They are life savers & on point to almost all of your issues. [www.youtube.com/houseofhealingaz](http://www.youtube.com/houseofhealingaz)

9. You must DO this list and not just read or consider it. The demons will tell you that it is overwhelming. It is not. Take it slow and sure. Simply take it one step at a time. Not all at once. Keep going. Keep fighting and you will be healed by the power of the Holy Spirit and God's Word. If you give up you will face dire consequences and many more years of heartache.

10. Immediately stop *complaining* & *blaming* yourself & others (Mt. 6:14-15, James 4:11). It will block your healing & deliverance in its tracks.

11. Go to the web site & hit the "Teaching" button. Read the short article on "How Satan Controls the Mind" & "Satan's Counter-attack." The demons will attack your life to distract you from this list. If things get worse temporarily it is a good thing.

12. Follow the 10 step process to victory the Apostle James taught. It is powerful & *never* fails (James 4:7-11). You will be cured.

13. After you have completed the list try the 'self deliverance' button on the web site at the top ([www.hardcorechristianity.com](http://www.hardcorechristianity.com)). Do it at a time when you are humble, desperate & broken or sensing the Holy Spirit. Release the soul wounds & the spirits & the illnesses from your body. Yawning, coughing, etc. are the spirits and wounds coming out of you. It means you have the anointing.
