HUB

CORE Innovation Hub Adelaide

Government of South Australia
Department for Energy and Mining

CORE Innovation Hub Adelaide City Innovation Precinct

With an already decentralised and hyper-mobile workforce, a cbd base in the heart of the SA's innovation district is the perfect compliment to an already dynamic approach to the workforce. Providing staff, suppliers and partner organisations a centralised dedicated space to continue to drive forward a modern approach to mining.

Lot Fourteen - Defined by innovation. Powered by Collaboration.

Now is a chance to become part of an innovation precinct that is making a global impact by accelerating innovation, entrepreneurship, research, education, culture and tourism.
