The EO states that the additional rate of duty on potash that is not subject to subsection (a) of this section shall be reduced to 10% in lieu of 25%.	https://www.whitehouse.gov/presidential-actions/2025/03/amendment-to-duties-to-address-the-flow-of-illicit-drugs-across-our-northern-border-0c3c/
Memorandum	3/11/2025	Ensuring the Enforcement of Federal Rule of Civil Procedure 65(c)	Legal Proceedings	This memorandum states that it is the policy of the United States to demand that parties seeking injunctions against the Federal Government must cover the costs and damages incurred if the Government is ultimately found to have been wrongfully enjoined or restrained. It also directs the heads of executive departments and agencies (agencies), in consultation with the Attorney General, to ensure that their respective agencies properly request under Rule 65(c) that Federal district courts require plaintiffs to post security equal to the Federal Government's potential costs and damages from a wrongly issued injunction.	https://www.whitehouse.gov/presidential-actions/2025/03/ensuring-the-enforcement-of-federal-rule-of-civil-procedure-65c/
14238	3/14/2025	Continuing the Reduction of the Federal Bureaucracy	Administrative	This EO eliminates the non-statutory components and functions of various governmental entities. The EO states that various government entities shall be eliminated to the maximum extent consistent with applicable law, and such entities shall reduce the performance of their statutory functions and associated personnel to the minimum presence and function required by law. The EO directs the head of each governmental entity listed, within 7 days of the date of this order, to submit a report to the Director of the Office of Management and Budget confirming full compliance with this order and explaining which components or functions of the governmental entity, if any, are statutorily required and to what extent. Targeted entities include the Federal Mediation and Conciliation Service; the United States Agency for Global Media; the Woodrow Wilson International Center for Scholars in the Smithsonian Institution; the Institute of Museum and Library Services; the United States Interagency Council on Homelessness; the Community Development Financial Institutions Fund; and the Minority Business Development Agency.	https://www.whitehouse.gov/presidential-actions/2025/03/continuing-the-reduction-of-the-federal-bureaucracy/
14240	3/20/2025	Eliminating Waste and Saving Taxpayer Dollars by Consolidating Procurement	Administrative	This EO directs agency heads, within 60 days of the date of this order, to consult with the agency's senior procurement officials, submit to the Administrator proposals, and to have the General Services Administration conduct domestic procurement with respect to common goods and services for the agency, where permitted by law. This EO states that within 90 days of the date of this order, the Administrator shall submit a comprehensive plan to the Director of OMB for the General Services Administration to procure common goods and services across the domestic components of the Government, where permitted by law. Additionally, this EO directs the Director of OMB to designate the Administrator as the executive agent for all Government-wide acquisition contracts for information technology within 30 days.	https://www.whitehouse.gov/presidential-actions/2025/03/eliminating-waste-and-saving-taxpayer-dollars-by-consolidating-procurement/

14243	3/20/2025	Stopping Waste, Fraud and Abuse by Eliminating Information Silos	Administrative	This EO directs agency heads to take all necessary steps, to the maximum extent consistent with law, to ensure Federal officials designated by the President or Agency Heads (or their designees) have full and prompt access to all unclassified agency records, data, software systems, and information technology systems — or their equivalents if providing access to an equivalent dataset does not delay access — for purposes of pursuing Administration priorities related to the identification and elimination of waste, fraud, and abuse. This includes authorizing and facilitating both the intra- and inter-agency sharing and consolidation of unclassified agency records. This EO also orders agency heads, within 30 days of the date of this order, to rescind or modify all agency guidance that serves as a barrier to the inter- or intra-agency sharing of unclassified information specified in the EO.	https://www.whitehouse.gov/presidential-actions/2025/03/stopping-waste-fraud-and-abuse-by-eliminating-information-silos/
14255	3/31/2025	Establishing the United States Investment Accelerator	Administrative/Economic	This EO establishes, within the Department of Commerce, an office named the United States Investment Accelerator (Investment Accelerator). The Investment Accelerator will facilitate and accelerate investments above \$1 billion in the United States by assisting investors as they navigate United States Government regulatory processes efficiently, reduce regulatory burdens where consistent with applicable law, increase access to and use of our national resources where appropriate and consistent with applicable law, facilitate research collaborations with our national labs, and work with State governments in all 50 States to reduce regulatory barriers to, and increase, domestic and foreign investment in the United States. The Investment Accelerator will be headed by an Executive Director and staffed with legal, transactional, operational, and support staff as directed by the Secretary of Commerce.	https://www.whitehouse.gov/presidential-actions/2025/03/establishing-the-united-states-investment-accelerator/
14257	4/2/2025	Regulating Imports with a Reciprocal Tariff to Rectify Trade Practices that Contribute to Large and Persistent Annual United States Goods Trade Deficits	Trade/Economic	This EO instates a baseline 10% tariffs on all U.S. imports which will go into effect on April 5, 2025. The EO also includes higher tariffs for specific countries which can be found in Annex I of the EO and will go into effect on April 9. Some countries seeing higher tariff rates include China with a 34% tariff, the European Union with a 20% tariff, Vietnam with a 46% tariff, and Taiwan with a 32% tariff.	https://www.whitehouse.gov/presidential-actions/2025/04/regulating-imports-with-a-reciprocal-tariff-to-rectify-trade-practices-that-contribute-to-large-and-persistent-annual-united-states-goods-trade-deficits/
14256	4/2/2025	Further Amendment to Duties Addressing the Synthetic Opioid Supply Chain in the People's Republic of China as Applied to Low-Value Imports	Trade/Opioids	This EO builds on EO 14195 and states that duty-free de minimis treatment under 19 U.S.C. 1321(a)(2)(C) shall no longer be available for products of the PRC (which include products of Hong Kong) described in section 2(a) of Executive Order 14195, as amended by EO 14228, including international postal packages sent to the United States through the international postal network from the PRC or Hong Kong, that are entered for consumption, or withdrawn from warehouse for consumption, on or after 12:01 am eastern daylight time on May 2, 2025. The EO requires that the Secretary of Commerce, within 90 days of the date of this order, to submit a report to the President regarding the impact of this order on American industries, consumers, and supply chains and making recommendations for further action as he deems necessary.	https://www.whitehouse.gov/presidential-actions/2025/04/further-amendment-to-duties-addressing-the-synthetic-opioid-supply-chain-in-the-peoples-republic-of-china-as-applied-to-low-value-imports/
14259	4/8/2025	Amendment to Reciprocal Tariffs and Updated Duties as Applied to Low-Value Imports from the People's Republic of China	Trade/Economic	This EO responds to retaliatory tariffs from the PRC and places an 84% tariff on imports from the PRC. The amended duty rate will continue to apply on top of existing duties, including 20% fentanyl tariffs, effectively bringing the tariff rate on Chinese goods to 104%.	
14267	4/9/2025	Reducing Anti-Competitive Regulatory Behaviors	Regulatory/Administrative	This EO directs Agency heads, in consultation with the Chairman of the Federal Trade Commission and the Attorney General, to complete a review of all regulations subject to their rulemaking authority and identify those that: (i) create, or facilitate the creation of, de facto or de jure monopolies; (ii) create unnecessary barriers to entry for new market participants; (iii) limit competition between competing entities or have the effect of limiting competition between competing entities; (iv) create or facilitate licensure or accreditation requirements that unduly limit competition; (v) unnecessarily burden the agency's procurement processes, thereby limiting companies' ability to compete for procurements; or (vi) otherwise impose anti-competitive restraints or distortions on the operation of the free market. Within 70 days of this EO, each agency head shall provide to the Chairman and the Attorney General a list of regulations identified by the categories specified above.	https://www.whitehouse.gov/presidential-actions/2025/04/reducing-anti-competitive-regulatory-barriers/
14266	4/9/2025	Modifying Reciprocal Tariff Rates to Reflect Trading Partner Retaliation and Alignment	Trade/Economic	This EO suspends country-specific ad valorem rates of duty, as discussed in EO 14257, <i>Regulating Imports with a Reciprocal Tariff to Rectify Trade Practices that Contribute to Large and Persistent Annual United States Goods Trade Deficits</i> . These tariffs are suspended until 12:01 a.m. eastern daylight time on July 9, 2025.	https://www.whitehouse.gov/presidential-actions/2025/04/modifying-reciprocal-tariff-rates-to-reflect-trading-partner-retaliation-and-alignment/

14273	4/15/2025	Lowering Drug Prices by Once Again Putting America First	Health Care/Drug Pricing	<p>The EO includes the following provisions group by topic area:</p> <p>Medicare Drug Price Negotiation: The EO directs the HHS Secretary to seek comment on new negotiation guidance, and to make recommendations on how to stabilize and reduce Part D premiums. The EO also directs the HHS Secretary to work with Congress to eliminate the “pill penalty” by “aligning” the treatment of small molecule drugs with biological products. New Drug Pricing Model: The EO directs the HHS Secretary to take steps to develop and implement a “rulemaking plan” to test a new payment model to obtain “better value” for high-cost Medicare drugs. 340B: The EO directs the HHS Secretary to conduct a survey to determine the hospital acquisition cost for covered outpatient drugs at hospital outpatient departments (HOPDs), and to consider adjustments to align Medicare payment with the acquisition cost. These steps are likely a precursor to Medicare ASP-based payment cuts to 340B-acquired drugs administered in the HOPD. The EO also directs the HHS Secretary to reinstitute a program from President Trump's first term to make insulin and injectable epinephrine available at or below the 340B discounted price paid by Federal Qualified Health Centers. Site-Neutrality: The EO directs the HHS Secretary to consider regulations to ensure that Medicare payment is not encouraging a shift in drug administration volume away from physician office settings to HOPDs. Drug Manufacturer Anti-Competitive Behavior: The EO directs the HHS Secretary to conduct public listening sessions with the Departments of Justice and Commerce, and the Federal Trade Commission and issue a report to reduce anti-competitive behavior from pharmaceutical manufacturers. PBM Transparency: The EO directs the Secretary of Labor to propose regulations to improve employer health plan fiduciary transparency into the direct and indirect compensation received by PBMs. Other Provisions: The EO directs the FDA to issue a report providing recommendations to accelerate the approval of generics and biosimilars and improve the process through which drugs can be reclassified as over-the-counter medications. The EO also directs the FDA to “make it easier” for states to pursue drug importation programs. The EO directs the Secretary to provide recommendations on promoting innovation in Medicaid drug payment methodologies.</p>	https://www.whitehouse.gov/presidential-actions/2025/04/lowering-drug-prices-by-once-again-putting-americans-first/
14274	4/15/2025	Restoring Common Sense to Federal Procurement	Administrative	This EO states that it is the policy of the United States to create the most agile, effective, and efficient procurement system possible by removing undue barriers, such as unnecessary regulations, while simultaneously allowing for the expansion of the national and defense industrial bases is paramount. This EO directs the Administrator, in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), within 180 days of the date of this order, to take appropriate actions to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests.	https://www.whitehouse.gov/presidential-actions/2025/04/restoring-common-sense-to-federal-procurement/
14271	4/16/2025	Ensuring Commercial, Cost-Effective Solutions in Federal Contracts	Administrative	This EO states that it is policy of the Trumo Administration that agencies shall procure commercially available products and services, including those that can be modified to fill agencies’ needs, to the maximum extent practicable, including pursuant to the Federal Acquisition Streamlining Act of 1994. This EO directs agency’s contracting officers, within 60 days of the date of this order, to review of all open agency solicitations, pre-solicitation notices, solicitation notices, award notices, and sole source notices for non-commercial products or services.	https://www.whitehouse.gov/presidential-actions/2025/04/ensuring-commercial-cost-effective-solutions-in-federal-contracts/
Memorandum	4/17/2025	Extension of Hiring Freeze	Administrative	This memorandum extends, through July 15, 2025, the freeze on the hiring of Federal civilian employees within the executive branch, as initially directed in the Presidential Memorandum of January 20, 2025	https://www.whitehouse.gov/presidential-actions/2025/04/extension-of-hiring-freeze/
14281	4/23/2025	Restoring Equality of Opportunity and Meritocracy	Administrative/Workforce	This EO eliminates the use of disparate-impact liability in all contexts to the maximum degree possible. This EO also revokes: (a) the Presidential approval of July 25, 1966, of the Department of Justice Title VI regulations (31 Fed. Reg. 10269), as applied to 28 C.F.R. 42.104(b)(2) in full; and (b) the Presidential approval of July 5, 1973, of the Department of Justice Title VI regulations (38 Fed. Reg. 17955, FR Doc. 73-13407), as applied to the words “or effect” in both places they appear in 28 C.F.R. 42.104(b)(3), and as applied to 28 C.F.R. 42.104(b)(6)(ii) and 28 C.F.R. 42.104(c)(2) in full.	https://www.whitehouse.gov/presidential-actions/2025/04/restoring-equality-of-opportunity-and-meritocracy/
14284	4/24/2025	Strengthening Probationary Periods in the Federal Service	Administrative/Workforce	This EO issues a new Civil Service Rule XI that will supersede subpart H. Under Civil Service Rule XI, agencies will have to affirmatively determine that the continued employment of individuals serving probationary or trial periods would benefit the Federal service before such appointments are finalized.	https://www.whitehouse.gov/presidential-actions/2025/04/strengthening-probationary-periods-in-the-federal-service/
14289	4/29/2025	Addressing Certain Tariffs on Imported Articles	Trade/Economic	The EO sets out the procedure for determining which of multiple tariffs shall apply to an article when that article is subject to more than one action.	https://www.whitehouse.gov/presidential-actions/2025/04/addressing-certain-tariffs-on-imported-articles/

14292	5/4/2025	Improving the Safety and Security of Biological Research	Health Care/Research	This EO ends federal funding for gain-of-function research in countries where the White House deems there is not adequate oversight to ensure that the countries are compliant with United States oversight standards and policies. The EO also pauses research using infectious pathogens and toxins in the U.S. and requires the Director of the Office of Science and Technology Policy (OSTP), within 120 days, to revise or replace the 2024 "United States Government Policy for Oversight of Dual Use Research of Concern and Pathogens with Enhanced Pandemic Potential. This EO contains enforcement and reporting mechanisms in an attempt to strengthen oversight.	https://www.whitehouse.gov/presidential-actions/2025/05/improving-the-safety-and-security-of-biological-research/
14293	5/4/2025	Regulatory Relief to Promote Domestic Production of Critical Medicines	Health Care/Drugs	This EO directs FDA to reduce the amount of time it takes to approve domestic pharmaceutical manufacturing plants by eliminating duplicative and unnecessary requirements, streamlining reviews, and working with domestic manufacturers to provide early support before facilities come online. The EO also directs the FDA to increase fees for and inspections of foreign manufacturing plants, and to improve enforcement of active pharmaceutical ingredient source reporting by foreign drug producers. The EO also directs the Environmental Protection Agency (EPA) to accelerate the construction of pharmaceutical manufacturing facilities.	https://www.whitehouse.gov/presidential-actions/2025/05/regulatory-relief-to-promote-domestic-production-of-critical-medicines/
14297	5/12/2025	Delivering Most-Favored-Nation (MFN) Prescription Drug Pricing to America	Drug Pricing	This EO directs the U.S. Trade Representative and Secretary of Commerce to take action to ensure foreign countries are not engaged in practices that purposefully and unfairly undercut market prices and drive price hikes in the United States. The EO also directs HHS to communicate MFN price targets to manufacturers by June 11, 2025 and establish a mechanism through which patients can buy drugs directly from manufacturers at the MFN price. If manufacturers do not make "significant progress" in voluntarily offering their drugs at the MFN price, the EO directs CMS to take certain aggressive actions - including proposing a "rulemaking plan to impose MFN pricing."	https://www.whitehouse.gov/presidential-actions/2025/05/delivering-most-favored-nation-prescription-drug-pricing-to-american-patients/
14298	5/12/2025	Modifying Reciprocal Tariff Rates to Reflect Discussion with the People's Republic of China	Tariffs	This EO modifies the HTSUS to suspend for a period of 90 days application of the additional ad valorem duties imposed on the PRC listed in Annex I to Executive Order 14257, as amended by Executive Order 14259 and Executive Order 14266, and clarified in the Presidential Memorandum of April 11, 2025 (Clarification of Exceptions Under Executive Order 14257 of April 2, 2025, as Amended), and to instead impose on articles of the PRC an additional ad valorem rate of duty as set forth herein, pursuant to the terms of, and except as otherwise provided in, Executive Order 14257, as modified by this order.	https://www.whitehouse.gov/presidential-actions/2025/05/modifying-reciprocal-tariff-rates-to-reflect-discussions-with-the-peoples-republic-of-china/
14303	5/23/2025	Restoring Gold Standard Science	Research/Science	This EO directs, within 30 days of the date of the order, the Director of the Office of Science and Technology Policy (OSTP Director) to, in consultation with the heads of relevant agencies, issue guidance for agencies on implementation of "Gold Standard Science" in the conduct and management of their respective scientific activities.	https://www.whitehouse.gov/presidential-actions/2025/05/restoring-gold-standard-science/
