

Supervisor and WACC Staff Roles

Host Site Supervisor

Your supervisor oversees your CLEC AmeriCorps project and day-to-day service activities. They will orient you to your campus or organization, project, and any community partners. They also must approve your timesheets, progress reports, member evaluation, and any leave requests.

CLEC AmeriCorps Member Engagement & Leadership Coordinator

Arielle Knowles is an AmeriCorps member, just like you! You can go to her for questions and concerns about your service anytime. She can support you if you can't contact your supervisor, have questions, or need additional support. Her goal is to assist and support all CLEC AmeriCorps members throughout their service terms and help build your capacity as service members and leaders. She also manages professional development opportunities and builds leadership skills for members.
