

Script Keeper Privacy Policy

Last updated: June 26, 2021

Please read the Privacy Policy carefully before using Our Service.

Introduction

Script Keeper is a productivity application that allows for the loading and saving of drug lists and other user entered data from Medicare.gov. The following privacy policy applies any time you use the Script Keeper extension. This policy describes:

- What information we collect
- How we collect information
- How we use the information we collect

What information do we collect?

During your use of the Script Keeper application we will only ever collect user data necessary for the functioning of the system. The data we collect will be with respect to your use and interaction with the Script Keeper application.

Examples of things we may collect and track:

- Your name and email address
- When you install the Script Keeper extension
- How often you login or open the application
- Errors generated by the application during normal usage

Things we do not collect or track:

- The contents of drug lists saved
- The url your drug list links to

Methods of collection

Extension Store - When you install and use the Script Keeper extension, certain metrics about that installation and use are transmitted to the extension store, where we may view that data. The data collected here involves counts of installs, uninstalls, error reports, and active user counts.

Script Keeper Usage - When you use the Script Keeper extension, we utilize the analytics tools provided by Firebase Users and Stripe to see when you are logging in, opening the application, and making payments.

Cookies

Cookies are small files that are created in your web browser when you visit any of our websites.

Cookies help make your online experience more efficient and relevant to your interests. For instance, they are used to remember your preferences on sites you visit often, to remember your user ID and the contents of your shopping baskets, and to help you navigate between pages more efficiently.

We do not collect any cookies.

How do we use the information we collect and receive?

- To evaluate and improve the Script Keeper application based on common usage patterns
- To provide technical support

Children under the age of 13

This application is not intended for children under the age of 13. We do not knowingly collect personal information from children under the age of 13. If you are under the age of 13, you may not use Script Keeper in any capacity.

Mailing policy

We will only ever contact you to inform you of updates to our privacy policy, or to communicate technical issues and management with our users.
