PLRAC launches a new Website!

The three Prairie Lakes staff members attended several Digital Arts Workshops in fall 2020 and spring 2021, every month for seven months by Adam Reinwald, and Open Voices, LLC. In April 2021 we began conversations with our individual consultant about How Prairie Lakes Could Improve Our Online Presence. We started with small improvements to Facebook posts and our YouTube channel. Next, we were ready to update our twenty-year-old website, and created a new site using the website software Squarespace. We have been working with our current Webmaster to create our new site and launch it to coincide with the New Fiscal Year which begins July 1, 2021.

What Motivates Us When We Think Of Building Our Online Presence And Website?

• We would like Prairie Lakes information to look Professional in How it is Presented Online.

• We want to create a new Vibrant website format that is Up-To-Date, Easy to Navigate, and Accessible.

• We want to create new Videos that provide an Overview of the Artist and Organization grants we offer.

Prairie Lakes hired Triple Falls Productions in Mankato to create some videos for us. The purpose is to develop videos that can be used to promote our Artist grant and Organizational grant programs. Our current goal is to promote the availability of our Artist Development Grant of $1,500 which is due September 1st.

Videotaping and production began in May and Brenda Byron, Executive Director participated in the videotaping sessions along with other artists Bryan Holland, Dana Sikkila and Jaci Ullrich, in various art locations and at the Arts Center of Saint Peter.

In addition, Triple Falls Productions, Mankato did a Podcast interview with Brenda Byron about Prairie Lakes, and our artist grant program at the end of April.

The video clip is posted on the Facebook page of Prairie Lakes. Here is the link to view it.

Brenda Byron, Executive Director
February 2021
Artist Survey Results

The feedback Prairie Lakes received from the February 2021 Artist Survey was taken into consideration in keeping the grant size at $1,500 for FY 2022, noted Brenda Byron, Executive Director. **Artist’s overwhelmingly chose the $1,500 grant size with 77% of respondents selecting this option.** The board noted they will evaluate this grant size again in one year and may consider changes for FY 2023.

Here are some details from the Artist Survey:

1. **At What Level or Category are you as an Artist?**
   - 38% Established Professional Artist, 26% Arts Educator,
   - 20% Identified themselves as an Emerging Artist,
   - 13% Hobbyist and 3% Crafts person.

2. **What arts discipline do you primarily work in?**
   - 51% Visual Art, 14% Instrumental Music, 14% Literature, 10% Theater, 4% Vocal Music, 4% Dance, and 1% Media Arts.

The 2021 Artist survey was completed by 69 individuals and details were discussed at the regular board meeting on 2/25/21. The purposes for the survey were to confirm preferences for the artist Grant Size in FY 2022-23, and two scenarios were available to either continue with the $1,500 grant size, which was a COVID response style grant and amount; or to return to the FY 2020 style of grants with two different amounts and deadlines ($3,000 & $1,000 size grants). **Artist’s overwhelmingly chose the $1,500 grant size with 77% of respondents selecting this option.**

The secondary purpose of the survey was to ask Artists what Barriers they have when Applying for an Artist Grant. This is in direct correlation to our PLRAC Equity and Inclusion meetings, and information reviewed with our new Prairie Lakes Equity Taskforce community members that met in winter and spring 2021.

**The respondents were asked to identify Barriers that they have when Applying for an Artist Grant. A total of 64% of the artists that participated in the survey, said that they do not have any barriers to participate when applying for an Artist Grant.**

- The highest barrier at 18% was - I am too busy trying to make a living and it consumes all my time;
- The second barrier at 16% was - I do not have the personal time to devote to my work right now;
- The third barrier was - I do not have work samples ready to submit with my application;
- The fourth barrier was that artists did not have a resume ready to submit, and;
- Fifth the Artists stated: “I lack the confidence to write a grant, and so I did not apply”.

The restriction on frequency of the artist grant for FY 2022 (not eligible again if received in FY 2021), came directly from Artist comments in the survey.

Several individuals had these comments: It seems the same artists get funded year after year. I think there should be a limit on number of grants, so more artists can be funded. I appreciate PLRAC funding artists who are struggling financially. I also appreciate your attempt to fund artists from throughout the nine-counties. Try to give grants to artists that have never received a grant before, not the same artists over and over again.
Prairie Lakes Updated our Mission and Value Statements in 2021

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

**Mission Statement**

The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

**We value:** The Arts, Artistic Merit, Creativity, Community, Accessibility, Equity, Diversity, and Inclusion.

**Value Statements:**

**The Arts**
We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

**Artistic Merit**
We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

**Creativity**
We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

**Community**
We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

**Accessibility**
We value arts programming and arts education that is available to everyone.

**Equity, Diversity, Inclusion**
We value an equitable, diverse, and inclusive community. We are committed to countering systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

---

We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.
Diversity, Equity, and Inclusion Statement
of Prairie Lakes Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a provenponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socio-economic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as:
- Black, Indigenous and People of Color (BIPOC)
- People with Disabilities
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer, etc.)
- Youth and Seniors

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences. We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands-on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

The PLRAC Equity Taskforce Members Concluded their Meetings in April 2021.

The Prairie Lakes Equity Taskforce meetings concluded in April and we are thankful to the six community members that participated. It should also be noted that three members of the Executive Committee participated in these five meetings and were considered as members of the Taskforce. *In addition, the three Prairie Lakes staff members participated, and minutes were compiled for each meeting.*

*It was nice to get to know these individuals and discuss equity and inclusion topics.*

We really appreciated their time to learn about our non-profit organization and make suggestions on how Prairie Lakes can adjust our systems and processes to identify barriers that underserved communities have in participating with us.

Prairie Lakes was able to create more inclusive language in our grant application guidelines based upon suggestions from the group. More importantly, we learned more about listening and hearing how others perceive our organization.

We have made some small steps forward on our journey of understanding how our organization can be more inclusive in our programming, and these individuals were part of that journey.
In FY 2021 Prairie Lakes awarded 196 Grants totaling $387,239

Here’s a summary of Grants awarded:

$52,500 - McKnight Artist Grants (35 grants)

PLRAC Board Position from City of Fairmont

The Prairie Lakes Regional Arts Council has a vacant position on the Board for a representative from the City of Fairmont.

**The deadline for submitting an application is June 15.**

Interested persons residing in Fairmont should contact Brenda Byron, Executive Director of PLRAC at plrac@hickorytech.net to find out more about our board.
We will email you a Board Application and a list of responsibilities.

This is a great opportunity to understand the workings of the granting process, to be more involved with the arts and artists of our region, and to enjoy camaraderie with others who appreciate the arts. The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: Artists, teachers, and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, media arts, music, theater, visual art, folk and traditional art.

Volunteer board members serve a three year term. Monthly evening meetings are typically held the fourth Thursday of the month in Mankato, at Bethany Lutheran College. The monthly meetings have been conducted as online meetings this year and will continue virtually until further notice. Attendance at several PLRAC funded arts events per year is required and board members are reimbursed for their mileage to meetings and arts events.
