PARTICIPATING ORGANIZATIONS

Creative Minnesota is a collaborative effort to fill the gaps in available information about Minnesota’s cultural field and to improve our understanding of its importance to our quality of life and economy.

It is part of a long term endeavor to collect and report data on the creative sector every two years for analysis, education and advocacy.

We hope that arts advocates, legislators, local government officials and arts and cultural organizations will use this report to find new ways to improve their lives and economies with arts and culture.

Creative Minnesota’s statewide and eleven regional studies include:

- The economic impact of Minnesota’s nonprofit arts and culture organizations and their audiences
- An analysis of the impact of artists and creative workers on our economy
- Public opinion polling about the arts
- Local studies of the economic impact of the arts in Minnesota communities
- Analysis of the availability of arts education in Minnesota’s schools

Our team includes Minnesota Citizens for the Arts, McKnight Foundation, Minnesota State Arts Board, Forum of Regional Arts Councils of Minnesota, Target, Jerome Foundation, Mardag Foundation, Bush Foundation, Perpich Center for Arts Education, Springboard for the Arts and Minnesota Music Educators Association with in-kind support from the Minnesota Historical Society, City of Minneapolis, Ideas that Kick, the Center for Urban and Regional Affairs (CURA) at the University of Minnesota, Minnesota Compass, and others.
