We launched our new Website!

The three Prairie Lakes staff members attended several Digital Arts Workshops in fall 2020 and spring 2021, every month for seven months by Adam Reinwald, and Open Voices, LLC.

In April 2021 we began conversations with our individual consultant about How Prairie Lakes Could Improve Our Online Presence. We started with small improvements to Facebook posts and our YouTube channel.

Next, we were ready to update our twenty-year-old website, and created a new site using the website software Squarespace. We worked with our current Webmaster to create our new site and launched it with the New Fiscal Year which began July 1, 2021.

- **The site is now Mobile Friendly and can be viewed on your cell phone or tablet.**
- **The site is ADA compliant!**
- **It is easier to navigate and includes more information.**
- **There is a separate Arts Calendar document of arts events in addition to the monthly E-Newsletter.**
- **There are Grant Writing Workshop videos for both Artists and Organizations.**
- **We have a list of current Board Members, and information about their arts background.**
- **Stay connected by referring monthly to our online newsletter.**
- **You can access the August Newsletter on our site, under "Current Newsletter".**

We encourage you to read about our activities and arts news for the 9-county region!

Prairie Lakes Updated our Mission and Value Statements in 2021

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

Mission Statement
The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

Value Statements:

The Arts
We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

Artistic Merit
We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

Creativity
We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

Community
We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

Accessibility
We value arts programming and arts education that is available to everyone.

Equity, Diversity, Inclusion
We value an equitable, diverse, and inclusive community. We are committed to counteracting systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.
Diversity, Equity, and Inclusion Statement
of Prairie Lakes Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a proven proponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socioeconomic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as:
- Black, Indigenous and People of Color (BIPOC)
- People with Disabilities
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer, etc.)
- Youth and Seniors

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences. We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands-on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

The Prairie Lakes Equity Taskforce Members Concluded their Meetings in April 2021.

The Prairie Lakes Equity Taskforce meetings concluded in April and we are thankful to the six community members that participated. A diverse group of BIPOC individuals participated (Black, Latinx, and Native American), two people from the disability community, and one person who works with at-risk youth. It should also be noted that three members of the Executive Committee participated in these five meetings and were considered as members of the Taskforce. In addition, the three Prairie Lakes staff members participated, and minutes were compiled for each meeting.

It was nice to get to know these individuals and discuss equity and inclusion topics. We really appreciated their time to learn about our non-profit organization and make suggestions on how Prairie Lakes can adjust our systems and processes to identify barriers that underserved communities have in participating with us.

Prairie Lakes was able to create more inclusive language in our grant application guidelines based upon suggestions from the group. More importantly, we learned more about listening and hearing how others perceive our organization.

“We have made some small steps forward on our journey of understanding how our organization can be more inclusive in our programming, and these individuals were part of that journey,” noted Brenda Byron.
Prairie Lakes Board Positions are Open for the City of Fairmont and Sibley County

The Prairie Lakes Regional Arts Council has two vacant positions on the Board for representatives from the City of Fairmont and Sibley County. The deadline for submitting an application is Sept. 1. Interested persons residing in Fairmont or Sibley County should contact Brenda Byron, Executive Director of PLRAC at plrac@hickorytech.net to find out more about our board. You will find a Board Application and Board Member Duties (PDF) on our website, www.plrac.org. Click on About Us, then Board Meetings and Application.

This is a great opportunity to understand the workings of the granting process, to be more involved with the arts and artists of our region, and to enjoy camaraderie with others who appreciate the arts. The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: Artists, teachers, and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, media arts, music, theater, visual art, folk and traditional art.

Volunteer board members serve a three year term. Monthly evening meetings are typically held the fourth Thursday of the month in Mankato, at Bethany Lutheran College. The monthly meetings have been conducted as online meetings this year and will continue virtually until further notice. Attendance at several PLRAC funded arts events per year is required and board members are reimbursed for their mileage to meetings and arts events.
