Minnesota Citizens for the Arts Staff visits Waseca

We were pleased to welcome Sarah Fossen, the new Executive Director of Minnesota Citizens for the Arts (MCA) to Waseca on August 12th. She is starting to visit outstate artists and arts organizations and finding out what arts programming is happening and how the Legacy funding is positively impacting communities.

MCA is the statewide Advocacy organization that lobby’s the Legislature for State funding. We met at the Waseca Art Center (WAC) and Monica Priebe and Jessica Stuckmayer discussed their monthly gallery exhibits and youth art classes. The WAC is a recipient of an Arts and Cultural Heritage (ACH) grant through Prairie Lakes Regional Arts Council, with funds from the Clean Water, Land and Legacy Amendment.

Other ACH Arts grantees and participants discussed their arts activities including Stacy Lienemann, Director of the Waseca-Le Sueur Regional Library, that partners with Cow Tipping Press to provide writing classes for people with disabilities; and Alice DeYonge, from Project Growth, Experience, and Motivation (GEM), which provides arts and writing classes to at-risk youth in St. Peter and St. Clair; with funding from Prairie Lakes Regional Arts Council.

The Waseca Art Center was part of a postcard and Billboard project to promote the City of Waseca. These are hometown and historic inspired graphics created by a local artist and the billboards are at the entrances to Waseca.

The Prairie Lakes Regional Arts Council is pleased to announce that Arts and Cultural Heritage grants of $182,000 were awarded to twenty arts organizations in the region on August 26, 2021. The organizations are listed alphabetically with a brief description of their artistic activities and events. Additional ACH grants will be approved at the September and October board meetings.

The grants are for arts activities in all artistic disciplines. A variety of activities including instrumental and vocal music concerts, theater performances, art classes and exhibitions, festivals, and youth field trips are being funded. This fund was created by the people of Minnesota to support the arts and preserve our heritage. The Clean Water, Land and Legacy Amendment, passed by the voters in Nov. 2008, created new resources for land conservation, water conservation, parks and the Arts. The next ACH Grant deadlines are September 1 and October 1, 2021 and February 1, 2022. Organizations can apply once per year for this grant.

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

Mission Statement
The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

We value: The Arts, Artistic Merit, Creativity, Community, Accessibility, Equity, Diversity, and Inclusion.

Value Statements:

The Arts
We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

Artistic Merit
We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

Creativity
We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

Community
We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

Accessibility
We value arts programming and arts education that is available to everyone.

Equity, Diversity, Inclusion
We value an equitable, diverse, and inclusive community. We are committed to countering systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.
Diversity, Equity, and Inclusion Statement
of Prairie Lakes Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a proven proponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socio-economic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as:

- Black, Indigenous and People of Color (BIPOC)
- People with Disabilities
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer, etc.)
- Youth and Seniors

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences.

We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands-on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

The Prairie Lakes Equity Taskforce Members Concluded their Meetings in April 2021.

The Prairie Lakes Equity Taskforce meetings concluded in April and we are thankful to the six community members that participated. A diverse group of BIPOC individuals participated (Black, Latinx, and Native American), two people from the disability community, and one person who works with at-risk youth. It should also be noted that three members of the Executive Committee participated in these five meetings and were considered as members of the Taskforce. In addition, the three Prairie Lakes staff members participated, and minutes were compiled for each meeting.

It was nice to get to know these individuals and discuss equity and inclusion topics. We really appreciated their time to learn about our non-profit organization and make suggestions on how Prairie Lakes can adjust our systems and processes to identify barriers that underserved communities have in participating with us.

Prairie Lakes was able to create more inclusive language in our grant application guidelines based upon suggestions from the group. More importantly, we learned more about listening and hearing how others perceive our organization.

“We have made some small steps forward on our journey of understanding how our organization can be more inclusive in our programming, and these individuals were part of that journey,” noted Brenda Byron.
Prairie Lakes Board Positions are Open for the Cities of Fairmont and New Ulm, and Sibley County

The Prairie Lakes Regional Arts Council has three vacant positions on the Board for representatives for the City of Fairmont, City of New Ulm, and Sibley County.

The deadline for submitting an application is Oct. 1. Interested persons residing in Fairmont, New Ulm, or Sibley County should contact Brenda Byron, Executive Director of PLRAC at prlac@hickorytech.net to find out more about our board. You will find a Board Application and Board Member Duties (PDF) on our website, www.plrac.org. Click on About Us, then Board Meetings and Application.

This is a great opportunity to understand the workings of the granting process, to be more involved with the arts and artists of our region, and to enjoy camaraderie with others who appreciate the arts. The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: Artists, teachers, and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, media arts, music, theater, visual art, folk and traditional art.

Volunteer board members serve a three year term. Monthly evening meetings are typically held the fourth Thursday of the month in Mankato, at Bethany Lutheran College. The monthly meetings have been conducted as online meetings this year and will continue virtually until further notice. Attendance at several PLRAC funded arts events per year is required and board members are reimbursed for their mileage to meetings and arts events.
