Prairie Lakes is proud to support Public Art in our Small Communities

“We were pleased to support public art in our small communities and awarding them an Arts Grant is part of that process”, noted Brenda Byron, PLRAC Executive Director. There can be a lot of ideas for public art projects in our communities, but it can be difficult to figure out how to do it, who to involve, and to engage local community members. The project will likely need other funds to make it happen, so donations are needed as well as a lot of volunteer time. Details about how to plan a public art project in order to qualify for a PLRAC arts grant are on page 9. In this article we are highlighting the public sculpture in Janesville and the community mural in Waterville.

The City of Waterville received a $4,000 Small Arts Grant in March 2020 to create a mural. Local resident and artist Patty Salmon at Make It, Waterville initiated the idea of the mural and asked artist Mary Walchuk, of Elyssian to create the design. Patty introduced the idea to the staff and council of the City of Waterville and asked for their support and to submit the grant on behalf of the mural project. Their goal was to create a 12 foot by 70-foot mural on the Make It, Waterville building on the corner of Main and Third Street by the end of summer 2021. Funds were used to provide a stipend to Mary Walchuk for the colored pencil artwork design and to artist Justin Ek, of Mankato and Bellissimo Paint and Coatings, in Mankato to layout the artwork design on the building. Mary noted “Justin projected the much-smaller image she created with colored pencils onto the wall and made the outline and labeled each section for its designated color.”

They invited community members to help paint some areas of the mural, and over 20 people participated in the community painting event. Mary posted photos on Facebook as the mural was being created, and this sparked a lot of interest from the community. The brightly colored mural features a collage of iconic “Waterville things” hidden in the colorful outdoor scene. It includes a wave encircled water tower, a bullhead, the Sakatah State Trail, and lakes, as well as paint brushes and spools of thread that give a nod to the town’s current and former artists.

Janesville Matters received a $2,000 Small Arts Grant in 2020 for their public sculpture from Prairie Lakes Regional Arts Council.

The board members of Janesville Matters, a non-profit organization used the grant funds to have a fish sculpture created by Tim Nelson of Bemidji to place in their new sculpture garden on Janesville’s Main Street.

The sculpture was mounted on a field stone and placed in the sculpture garden in front of the Public Utilities Building. Mark Borneke and Tom Miller installed the piece in fall 2021. There was a dedication ceremony for the sculpture garden in October.
Applicants that want to have Public Art projects for their community are requested to follow a process of engaging the community in the decision making.

Details about how to plan a public art project in order to qualify for a PLRAC arts grant, continued from page 8.

A Prairie Lakes Small Arts Grant or our Arts & Cultural Heritage grant can be used to fund a Public Art Project, noted Brenda Byron. Here are some of the details that are listed in our Grant Guidelines about public art.

Public Art is the creation of a sculpture, mural, public performances, temporary works, and other grassroots forms of public art that engage the community in new ways.

The applicant should identify a qualified artist to design and complete the work, working with a committee of citizens. In the proposal the applicant would need to describe: Why this public art is needed, how it will represent the community or the community’s history, and what community input was solicited in the planning phase. Also, was a committee formed to discuss and plan the project? Public Art often requires collaborations between the city, school, community at large, etc.

The applicant would also have to identify and describe which organization would be responsible for the long-term upkeep of the Public Art. Also, submit the artist’s resume and documentation of their professional capacity to complete a mural, sculpture, or temporary art installation, etc. and list examples of past work.

We recommend applicants inform themselves about public art and its processes and a resource is Forecast Public Art in St. Paul which has a Public Art Toolkit for communities. http://forecastpublicart.org/toolkit/didactic.html. Please contact the Prairie Lakes office at plrac@hickorytech.net for more guidance and information on Public Art projects if needed.

### Diversity, Equity, and Inclusion Statement of Prairie Lakes Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a proven proponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socio-economic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as: Black, Indigenous and People of Color (BIPOC), Youth, Senior Citizens, People with Disabilities and LGBTQ+.

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences. We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands-on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

Prairie Lakes Updated our Mission and Value Statements in 2021

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

**Mission Statement**

The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

We value: The Arts, Artistic Merit, Creativity, Community, Accessibility, Equity, Diversity, and Inclusion.

**Value Statements:**

**The Arts**

We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

**Artistic Merit**

We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

**Creativity**

We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

**Community**

We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

**Accessibility**

We value arts programming and arts education that is available to everyone.

**Equity, Diversity, Inclusion**

We value an equitable, diverse, and inclusive community. We are committed to countering systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.
Prairie Lakes Board Positions are Open for the City of Fairmont and Sibley County

The Prairie Lakes Regional Arts Council has two vacant positions on the Board for representatives for the City of Fairmont and Sibley County.

The deadline for submitting an application is Feb. 1. Interested persons residing in Fairmont or Sibley County should contact Brenda Byron, Executive Director of PLRAC at plrac@hickorytech.net to find out more about our board. You will find a Board Application and Board Member Duties (PDF) on our website, www.plrac.org. Click on About Us, then Board Meetings and Application.

This is a great opportunity to understand the workings of the granting process, to be more involved with the arts and artists of our region, and to enjoy camaraderie with others who appreciate the arts. The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: Artists, teachers, and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, media arts, music, theater, visual art, folk and traditional art.

Volunteer board members serve a three year term. Monthly evening meetings are typically held the fourth Thursday of the month in Mankato, at Bethany Lutheran College. The monthly meetings have been conducted as online meetings this year and will continue virtually through May 2022. Attendance at several PLRAC funded arts events per year is required and board members are reimbursed for their mileage to meetings and arts events.
