Diversity, Equity, and Inclusion Statement of Prairie Lakes Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a proven proponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socio-economic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as: Black, Indigenous and People of Color (BIPOC), Youth, Senior Citizens, People with Disabilities and LGBTQ+.

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences. We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands -on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

Prairie Lakes receives funding from the Minnesota Legislature through the Legacy Amendment from the Arts and Cultural Heritage Fund, State General funds, and the McKnight Foundation.

The Story of Arts & Cultural Heritage (Legacy) Grants

What’s really made a difference in our region has been the Legacy Arts grants that were available starting in 2008. Prairie Lakes Regional Arts Council receives Legacy funds that are used to award Arts and Cultural Heritage grants in the 9-county area we serve in south central Minnesota, noted Brenda Byron, Executive Director.

Prairie Lakes has supported many arts projects, artists, and arts organizations with these State funds. In the next year we will be sharing the story of the Impact that these grants have had in our region, through a series of videos. We’ll be talking about projects, arts organizations, and communities that are better because of the Legacy Amendment. Arts events happening in the community stimulate the local economy, promote tourism, and people eat in local restaurants and buy gas while they are in town.

We want to thank the voters of Minnesota for this huge vote of confidence that the Arts are worth investing in, in our State.

Our first video is an overview of the availability of Legacy grants from Prairie Lakes. The second video features Arts and Cultural Heritage grantees Uniting Cultures/Uniendo Culturas in St. James, who sponsor the Multicultural Fiesta in their community.

Pat Branstad and Brenda Byron met in January to record the first video, with the assistance of Triple Falls Productions, Mankato. Pat noted that the Multicultural Fiesta held in September is the signature event of their group and its mission of acknowledging and celebrating the rich cultural diversity of the St. James community.

The Fiesta brings residents of the community together with a festive, family friendly atmosphere in an outdoor space in downtown St. James. Featuring ethnic music performances, international cuisine, and programming for children, the Fiesta’s attendance has grown each year along with the involvement of other community groups.

Our Small Arts Project and School Arts Project Grant program funds non-profit arts organizations, community groups, public organizations, or schools producing or sponsoring arts activities for their community or students. Three Small Arts grants were awarded totaling $9,725.

We encourage applications for artistic performances or the sponsorship of quality arts activities in the 9-county region. This may include dance, literature, media arts, music, theater, visual art, folk and traditional art, etc.

**Funds are depleted for this program.** Small Arts Grants can be submitted on July 1, 2022 for events taking place September to December 2022.

MN Statewide Juneteenth Celebration (SA) - $5,000. They will sponsor a Juneteenth community event Saturday, June 18 at the St. Peter High School and arts activities will include two youth workshops, hip hop music and drumline performance. Funds will be used for artist fees.

Sibley East Community Education (SA) - $3,000. They will sponsor Prairie Fire Children’s Theatre production of “Peter Pan” for ages 7-18, June 19-25, 2022. Funds will be used for the Prairie Fire directors fees.

In March, we were able to do Zoom meetings with eight Legislators in our 9-county area and had many arts constituents from the region take part in the meetings coordinated by MN Citizens for the Arts and Prairie Lakes Regional Arts Council, noted Brenda Byron.

We are Thankful that for many years our legislators have understood the “Value of the Arts” and many noted they were familiar with arts activities in their district. Several mentioned that they receive “Thank You Notes” from students who received youth scholarships from Prairie Lakes, and many arts organizations, schools and community groups that received State arts grants, noted Brenda Byron. It was noted that the Arts have a positive economic impact on the community when arts activities happen in town, and people also buy gas and food in town, and may do other shopping while being in town for an arts event. (Continued on page 8.)

Arts Organizations Need COVID Relief in Minnesota

“It was great to participate in Virtual Arts Advocacy Week March 14-18, 2022 which was coordinated by MN Citizens for the Arts”, noted Brenda Byron, MCA board member and Executive Director of PLRAC.

Over 300 Arts advocates from across Minnesota participated and shared their stories with their Legislators. We were pleased that so many artists and arts organization staff and board members could join us from the 9-county area as we did Zoom calls with legislators. Each person could share the importance of the arts to them personally, to their organization and their community. This discussion helped our Representatives and Senators understand that State funding for the Arts is critical and reaches every district in the region. A list of Arts grantees from Prairie Lakes for the last year was provided to the Legislators.

“In our meetings with Legislators we asked for their support of one-time COVID relief funds to help Arts and Culture across the state,” noted Brenda Byron. The Bill called Cultural Community Rescue Restart Grants, S.F. 2551 and H.F. 2637 requests $100,000,000 in fiscal year 2022 from the State fiscal recovery fund to the commissioner of employment and economic development for grants to nonprofit arts and cultural organizations that have suffered financial losses during the COVID-19 pandemic. The co-author of the bill is Senator Julie Rosen, District 23.

Prairie Lakes Updated our Mission and Value Statements in 2021

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

Mission Statement
The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

We value: The Arts, Artistic Merit, Creativity, Community, Accessibility, Equity, Diversity, and Inclusion.

Value Statements:

The Arts
We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

Artistic Merit
We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

Creativity
We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

Community
We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

Accessibility
We value arts programming and arts education that is available to everyone.

Equity, Diversity, Inclusion
We value an equitable, diverse, and inclusive community. We are committed to countering systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.
Prairie Lakes has Five Board Positions Open, Apply Now

The Prairie Lakes Regional Arts Council has five positions on the Board for representatives for the Cities of Fairmont and Mankato, and the counties of Blue Earth, Nicollet, and Watonwan.

The deadline for submitting an application is May 13th. The first meeting will be June 23, 2022. Interested persons should contact Brenda Byron, Executive Director of Prairie Lakes to find out more about our board at prlac@hickorytech.net. You will find a Board Application and Board Member Duties (PDF) on our website, www.plrac.org. Click on About Us, then Board Meetings and Application.

This is a great opportunity to understand the workings of the granting process, to be more involved with the arts and artists of our region, and to enjoy camaraderie with others who appreciate the arts. The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: Artists, teachers, and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, media arts, music, theater, visual art, folk and traditional art.

Board members can anticipate that their tasks will include reading and evaluating about 100 applications per year from art organizations, community groups and schools.

Volunteer board members serve a three year term. Monthly evening meetings are typically held the fourth Thursday of the month in Mankato, at Bethany Lutheran College. The monthly meetings have been conducted as online meetings this year and may continue virtually or in person. Attendance at several PLRAC funded arts events per year is required and board members are reimbursed for their mileage to meetings and arts events.
