Diversity, Equity, and
Inclusion Statement
of Prairie Lakes Regional
Arts Council

The Prairie Lakes Regional Arts Council (PLRAC)
recognizes arts and culture as inherent and vital aspects
of life. Art is a proven proponent of healthy, balanced, and
prosperous communities. The creation and experience of
cultural and artistic expression contribute to both
individual and community well-being. We believe in the
ability to build increased connectivity through supporting
cultural and artistic expression of all social identities
including race, tribal affiliation, ethnicity, national origin,
age, gender, sexuality, religion, ability, socio-economic
background and the intersectionality of these identities.

This may include historically marginalized and
underserved groups such as: Black, Indigenous and
People of Color (BIPOC), Youth, Senior Citizens, People
with Disabilities and LGBTQ+.

We are committed to closing access gaps in the arts with
urgency and accountability. We believe sustained impact
requires authentic relationships and transformative work,
and to this end we are deeply invested. As stewards
of public funds, including those allocated by the Legacy
Amendment, PLRAC embraces the unique opportunity to
ensure that all residents of the nine-county area have
access to quality arts experiences. We celebrate our
region as an artistic cultural hub where artists and
community members from all walks of life intersect.
PLRAC dedicates its work to providing key support at
these vital intersections where art and community align.
PLRAC is committed to engaging in the relationship
building, self-reflection, community discourse, and hands-
on work imperative to make our region a place where all
artistic communities can thrive.

PLRAC will focus our resources to educate ourselves,
modify our practices and shift our own organizational
culture to challenge racial disparities as we move toward
equitable arts communities. We embrace our
responsibility to lead racial equity work in funding, while
informing and learning from equity and inclusion in the
artistic practices and programming of our constituents.

The Story of Arts & Cultural Heritage (Legacy) Grants

What’s really made a difference in our region has been the Legacy Arts grants that were available starting in 2008. Prairie Lakes Regional Arts Council receives Legacy funds that are used to award Arts and Cultural Heritage grants in the 9-county area we serve in south central Minnesota, noted Brenda Byron, Executive Director.

Prairie Lakes has supported many arts projects, artists, and arts organizations with these State funds. In the next year we will be sharing the story of the Impact that these grants have had in our region, through a series of videos. We’ll be talking about projects, arts organizations, and communities that are better because of the Legacy Amendment. Arts events happening in the community stimulate the local economy, promote tourism, and people eat in local restaurants and buy gas while they are in town.

We want to thank the voters of Minnesota for this huge vote of confidence that the Arts are worth investing in, in our State.

Our first video is an overview of the availability of Legacy grants from Prairie Lakes. The second video features Arts and Cultural Heritage grantee Uniting Cultures/Uniendo Culturas in St. James, who sponsor the Multicultural Fiesta in their community.

Pat Branstad and Brenda Byron met in January to record the first video, with the assistance of Triple Falls Productions, Mankato. Pat noted that the Multicultural Fiesta held in September is the signature event of their group and its mission of acknowledging and celebrating the rich cultural diversity of the St. James community.

The Fiesta brings residents of the community together with a festive, family friendly atmosphere in an outdoor space in downtown St. James. Featuring ethnic music performances, international cuisine, and programming for children, the Fiesta’s attendance has grown each year along with the involvement of other community groups.

Check out the Prairie Lakes YouTube channel or Facebook page to find these video links.

Prairie Lakes Updated our Mission and Value Statements in 2021

The Prairie Lakes board met several times in 2020 to discuss updates to their Mission Statement and Value Statements. It has been a few years since the mission statement has been revised. Since we were doing planning for FY 2022-23 it seemed like a good time to revisit this topic. Members provided information and feedback about the need to simplify the mission statement and to create some new value statements that would clarify the different categories we are trying to address through our arts grant programs and services. We were pleased with the outcome and everyone was comfortable with the updated information, which was approved at the January 2021 board meeting.

**Mission Statement**
The Prairie Lakes Regional Arts Council serves the artistic communities of the 9-county area of southcentral MN by supporting the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.

**We value:** The Arts, Artistic Merit, Creativity, Community, Accessibility, Equity, Diversity, and Inclusion.

---

**Value Statements:**

**The Arts**
We value all forms of artistic expression, and resist the notion that there is but one universal definition of art or one best type of art. Instead, we embrace all artistic disciplines, genres, and subgenres, and encourage work that uses imagination, emotion, and craft to communicate.

**Artistic Merit**
We value artistic merit that promotes growth and development of creative knowledge, skills and understanding.

**Creativity**
We value the dedicated pursuit of and engagement with the arts. Creative expression contributes to the health of individuals and communities alike.

**Community**
We value art that reflects a rich and expansive range of cultures, traditions, experiences, and perspectives. The art created by and supported by the community deepens our understanding of ourselves and each other.

**Accessibility**
We value arts programming and arts education that is available to everyone.

**Equity, Diversity, Inclusion**
We value an equitable, diverse, and inclusive community. We are committed to countering systemic inequities that exclude individuals and communities from access to the arts based on race, gender, disability, national origin, sexual orientation, class, age, and geography.

---

**We support the creation and presentation of diverse art forms, fostering equitable access to arts opportunities, and integrating arts and culture to enhance quality of life in our communities.**
