LIBRARY DIRECTOR’S REPORT:
STATISTICS: Statistics show we continue to improve, doing better than last year. There is a significant increase in last month’s Totals, almost back to PreCovid numbers. Library Programs have been recorded to track participation. A tally method tracks the number of adults and children attending events. Wireless users are counted by observation.
**FUND REPORT:** State Aid is received twice yearly, in April and July. Rental of the library room for meetings is available in the current location. The library budget used this fiscal year is 55.09%.

**BUILDING REPORT:** The sink in the bathroom has been repaired. Lorena went with the library Insurance Adjuster to look at the progress on damages to the 14 Mile building. There are damages that have occurred from the accident that have not been addressed, i.e., carpeting (oil stains and tire tracks), and door entry (framing and brick). Additionally, there have been more roof leaks. The Library does not have access to the building. The keys are with the City. The Library Adjustor has been speaking with the City Adjustor. The Library’s insurance will not insure the old building until the city insurance has corrected all the issues. The Board asked Lorena to arrange for a time with the City to let the Board come into the building. They would like to observe the property damage themselves. Members will await for an available time. The City is the owner of the 14 Mile library building. It is their request needed to provide a RFP for the elevator. The current elevator rules became effective on June 27, 2023, and will come into full effect January 1, 2025.

**LEASING EXTENSION:** A formal letter has been drafted to request a lease extension on the current library location. The lease renewal would be financially beneficial to the Library should the old building not be ready to move into at the end of this current term, June, 2024. Member Zutz motioned to proceed with sending the letter to modify the lease agreement for 15260 15 Mile Rd. Fraser, MI. Member Bullis seconded the motion. All in favor. Motion passes.
**COLLECTION UPDATES:** STEAM Bags have not moved forward at this time. The supply availability has been limited. Director McDowell is looking into a new vendor.

Mango languages is a way to learn a new language online and is free with a library card. American Sign Language will be added to offer an opportunity for patrons to carry on basic ASL conversations. Mango will be up and running by March 1, 2024.

**STAFFING:** The library is fully staffed at this time. Two new sub librarians, and two new pages have been hired. 1 employee has been bumped up into a new Clerk position.

**LIBRARY SIGN:** There are two new FPLibrary signs on the marquee sign on 15 Mile Rd. No comments have been received since the installation last week.

**TREASURER'S REPORT:** None to report at this time.

**PRESIDENT’S REPORT:** None at this time.

**SECRETARY’S REPORT:** Holiday greetings received from MCD Architects. Youstina; Fraser resident–Youstina asked if the board would consider a new building. At the December meeting, she voiced her concerns that the old building does not solve resident needs regarding upgraded services, size, parking, and study rooms. The board replied that we are looking at all options at this time.
Ellen; Fraser resident—Ellen represented the Friends and reported on the success of the recent Ram’s Horn night. With thanks to the owner and staff the library earned $907 for the evening. The Spring Fling will take place with games, animals, 50/50 raffles and a bake sale. The Lions Club has graciously offered to host the Book Sale. Manpower to set up the sale, move books, and hours of operation are limited and in discussion at this time. Scheduling will take place at this week's meeting.
