

## Proxy Voting

Many have asked how to vote if they are unable to attend a congregational meeting. The Constitution allows for the use of a Proxy Vote.

**A Proxy Vote is allowed ONLY when a member is prevented from attendance by ILL HEALTH, WORK SCHEDULE or ABSENCE FROM THE CITY.**

A Proxy Vote is **not** an absentee vote, but rather the granting of permission for another person to vote in your stead. If you would like to vote by proxy, please use the form below to appoint your proxy and send this SIGNED form with the person who will be voting for you. They must present this form to receive an additional ballot for casting your vote.

**The person who will be absent from the congregational meeting MUST sign this proxy form. Requests by phone cannot be accepted.**

**A person is limited to serving as proxy for no more than two members.**
