

Moccamaster Championship

Rules & Regulations 2022

WHO CAN APPLY & HOW TO APPLY

- Helsinki Coffee Week's Moccamaster Championship is open to anyone above 18 years old for apply
- The first 12 competitors/teams will be qualified to attend to the competition
- Application will be done through sign up sheet on Helsinki Coffee Week's website according to given instructions
- It is possible to sign up into the competition alone or with a partner.

THE COMPETITION

- The idea of the competition is to find out who brews the best tasting cup of coffee using the same Mystery Coffee for everyone, brewed with the Moccamaster's Competition Brewer
- The teams will compete in 10 min heats of 3 teams
- Teams will have 30min practice time with the Mystery Coffee & Competition Brewer prior to the Competition time

- The Mystery Coffee will be provided as whole beans and competition grinder will be provided by the organizer. The teams may not use their own grinder.
- Only the Competition Brewer provided by the organizer may be used to brew the Mystery Coffee. It is not allowed to use any additional parts to interfere with the brewing process.
- All teams' competition stations will have Competition Brewer, a scale and a spoon. The station will also have water jug for measuring water into the water tank of the Competition Brewer. This jug however may not be used to interfere with the brewing process itself. All stations will be equipped with adequate amount of Moccamaster paper filters.
- Each team need to brew minimum of 400ml of the Competition Coffee for blind judging. Providing smaller amount will lead into disqualification - so don't do it!

THE EVALUATION

- All samples will be evaluated by the team of three (3) sensory judges. The coffees will be scored by quality of flavor, sweetness, acidity, body and aftertaste.
- All cups compete against each other which is why the samples will be gathered into clean thermos bottles and the judges may come back to earlier samples throughout the competition.
- Three (3) teams who brewed the top three cups will proceed to the Finals Round.
- The Finals Round's cup scores will be added to each teams scores from the Round One. The team with the highest score after this wins the Competition.
