your gift makes a real impact

We believe that everyone deserves to have a place to call home and that no one should have to live in unsafe conditions.

Our members have access to financial support, job opportunities, fresh groceries, gently used clothing, and tools for building a bright future. At Sacred Heart Community Service, everyone is treated with the dignity, compassion, and respect we all deserve.

Above all, we are committed to building a strong community, rooted in appreciating others’ differences, to achieve a more just society. We encourage our members, of all backgrounds, to serve as leaders so that they can share their experiences.
