OPENING: WOTZLD PREMIETZE JOUTZNEY FOTZ THE SUN: A SCIFI CATZTOON CITZCUS VIA ACTORS GYMNASIUM THIZOUGH MATZCH 25TH

Chi, IL LIVE Shows On Our Radar:

Buckle into your jetpacks, put on three pairs of sunglasses, and blast toward a galactic, uncanny and steel-meltingly sizzling world premiere!

Here at ChiIL Mama & ChiIL Live Shows, we're astronomically excited for Actors Gymnasium's latest. We love it when our friends play well together and this AG collaboration with Frank Maugeri & Lindsey Whiting is sure to be stellar. I'll be out for the press opening with my whole circus lovin' family on 2/17 so check back soon for my full review.

We've been fans of Actors Gymnasium's excellent productions for years, and their winter show, featuring a cast of circus professionals and the highly talented AG Teen Ensemble, is always something to see. I've been consistently wowed over the years by the creativity, high-caliber circus skills, and extreme entertainment value of Actors Gymnasium's winter shows. My two teens are not in this production, but have immensely enjoyed being cast in AG's last 4 fall and spring youth circus shows.

Advanced tickets are highly recommended, as their performance space is intimate and shows sell out fast. Special opening night tickets for Saturday 2/17/18 are available for \$60 and include an after party. ChiIL Mama will be there... will YOU?! Discount tickets are available in conjunction with Chicago Theatre Week for Sunday's matinee on 2/18/18. Details below. Don't miss this!

****LIVE VICARIOUSLY THROUG HAIRED CHICAGO BOY AND HIS SISTER****

Photo by Cole Simon

In 1964, the sun is overheating and The Owner of an Indiana drive-in movie theater is called upon to save earth with an unlikely bunch of heros. Will The Owner and their sidekicks be able to save the galaxy and avert a human-made environmental catastrophe?

The creative team brings to life an enormous intergalactic robot and Poppie, a real life talking popcorn machine in this SciFi Cartoon Circus adventure! Journey for the Sun features astonishing aerialists, insane acrobatics, sophisticated puppetry, in-depth object design, film and cartoon animation.

Written by Seth Bockley and Co-directed by Frank Maugeri (from Cabinet of Curiosity Events and the late Redmoon Theater), and Lindsey Noel Whiting, Circus choreography by Sylvia Hernandez - DiStasi, original music by Kevin O'Donnell and costumes by Sully Ratke. The cast includes Kasey Foster, Jean Carlos, Yuri Lane: The Human Beatbox, and members of The Actors Gymnasium Teen Ensemble.
