# About me.

Hi ... I'm Christina.

I am a Creative Content & Show Producer with over fifteen years experience working in the live events industry. I specialise in conceptualising, crafting, and delivering live shows. Collaborating with individuals, teams, and organisations, I become a trusted creative partner helping them communicate their message through strategic storytelling and engaging, creative content.

I take an audience-centric approach ensuring that together, everything we craft, create, and communicate on stage resonates with its intended audience. Influencing actions, impacting behaviour, and inspiring hearts and minds.

# I work on a variety of shows ...

Including:

- Awards Ceremonies
- Opening, Closing and National Day Ceremonies
- Fashion Shows
- Festivals
- Brand Activations
  - Launches
- Expos
- Conferences
- Large Scale Private Parties
