

What to Expect & Things to Know

Where do we go?

Come over to our Check-Ins desk in the Lobby and our Welcome Team will help you check in and guide you to your classroom(s).

After the gathering, follow the signs (or the line of parents)

What if my child needs me?

We will text you if your child needs a diaper change, has an accident, needs help in the bathroom, or is unable to remain in class for any other reason. Please make sure that your child uses the bathroom before coming to class.

How do I check my child out?

Keep the Guardian Slip that gets printed out at Check-Ins!

The code on the slip matches the code on your child's tag. Show this slip to the teacher at Check-Out and they will match the code for a smooth check-out.

When does it start?

Check-Ins opens 15 minutes before and closes 15 minutes after each gathering.

Classes open 15 minutes before each gathering for drop offs.

What will my kids do?

Enjoy Big Group Time filled with worship, a lesson, group discussions, and fun activities designed for their age and centered around a story from the Bible. Every story points to Jesus!"

Preschool and Babies classes have a small snack, so let us know if there are any allergies at Check-In!

Are my kids safe?

Your child's safety is important to us!

All of our volunteers are background checked and trained!

We also have team members that are CPR certified!
