Upcoming Events

JULY 13
ACADEMY
Revit Academy, Intermediate Session 2: Creating and Customizing Schedules in Revit

Revit, a BIM software, is used by architects, engineers, and contractors to gather and link data on the design, construction, and operation of a building to create a unified, 3D model. The second Intermediate Revit session will cover the scheduling tool and various deliverables you can use the tool for, including ordering and inventory uses. 2 LU.

REGISTER

JULY 14
VISION
Keynote: DEI NOW! Effective strategies to diversify project teams and leadership

This open dialogue session with NOMA's 2021-2022 National President Jason Pugh, will focus on the importance of practice management while building diverse and inclusive teams, all the way from studio projects to office leadership at the top. Industry building and design professionals at all experience levels will learn about some of the challenges and hurdles that currently exist, as well as some of the resources, best practices and strategies that are being employed by firms of various sizes across the country. 1 LU/HSW.

REGISTER

JULY 27
Meet the Small Firm Exchange

Small firms make up roughly 75% of ALL firms in the U.S. Join SFx leadership as they explain how SFx is organized and the initiatives it has undertaken to help small firms. They will also share data on small firms and how you can become involved with the SFx at local, state, and national levels. 1 LU.

REGISTER

JULY 28
Bridging the Bridge Series: the Process, Plan, and Possibilities of the Brent Spence

Join us for a panel discussion exploring the options and opportunities for the Brent Spence Bridge project in Cincinnati. Learn about the current plans for the bridge and its access points into and out of Cincinnati, as well as alternative proposals for the ramps and reclaimed land in Downtown and Queensgate.

REGISTER

Local & National News

TESTERS NEEDED
Help Hamilton County Planning + Development

Hamilton County is looking for professionals familiar with their permitting system who are willing to test their new ExTrak portal. See attached for additional information.

JULY 21
AIAU 2022 Economic Update 3

Join AIA Chief Economist Kermit Baker, Hon. AIA, and AIA President Dan Hart, FAIA, for the quarterly discussion of the industry's latest economic data and what firms are reporting. 1 LU. Register to attend.

JULY 28-29
AIA Ohio Technology Summit in Dayton

Join AIA Ohio July 28-29 at Sinclair Community College in Dayton as part of this year's exploration of technology in architecture. The AIA Ohio Technology Summit is a mix of “over the shoulder” experiences allowing members of the design community to better understand changes in technology and the impact those changes have on the profession. From 3D printed homes to the use of drones and bioluminescent flora, sessions will focus on new trends in advancing the art of the architectural profession. Register to attend.

DUE AUGUST 4
Submit to AIA’s Regional and Urban Design Awards

The Regional & Urban Design program recognizes the best in urban design, regional and city planning, and community development. Submit your work.
