Any AIA member can submit a project for inclusion in AIA's October social media campaign using [this form](#). Submission deadline is 5pm EST on Friday, July 29, 2022.

**AUGUST 9**

**CRAN**

**Climate Change Responsive High Performance Architecture - How to re-think designing homes & buildings**
Climate change is making our environment hotter and less comfortable. As thought leaders, we must rethink our approach, so we have homes that are truly sustainable, resilient, and climate-responsive from the start. Topics explored include: more efficient plans, right-sizing, smarter kitchens, lighting flaws, glare-free daylighting, smarter roofs, etc. 1 LU/HSW.

AUGUST 10
ACADEMY
Revit Academy, Intermediate Session 3:
Creating Circulation and Linear Components in Revit

Revit, a BIM software, is used by architects, engineers, and contractors to gather and link data on the design, construction, and operation of a building to create a unified, 3D model. In the third Intermediate Revit session, users will discover the many stair creation methods and types as well as railings and other linear components in Revit. 2 LU.

AUGUST 11
VISION
Keynote: Radical Practice

Marlon Blackwell will discuss his architecture and design process and will introduce ‘Radical Practice: The Work of Marlon Blackwell Architects’ a new monograph to be released in May 2022 by Princeton Architectural Press. Both the book and the lecture emphasize projects in the public and civic realm, emerging from outside the established centers of architectural culture, illustrating the distinct and original voice of Marlon Blackwell Architects. 1 LU.

Local & National News

TESTERS NEEDED
Help Hamilton County Planning + Development

Hamilton County is looking for professionals familiar with their permitting system who are willing to test their new ExTrak portal. See attached for additional information.

AUGUST 1
AIA Housing and Community Development Webinar

Challenges that limit access to healthy, stable and affordable housing are acute and complex. AIA Housing and Community Development Knowledge Community's Emily Roush-Elliott will moderate a discussion with City of Housing Planner Lindsey Williams and FHLB Dallas' Greg Hettrick. The three will present projects that are responding to these challenges, their perspectives on the right to housing, and ways in which their organizations are collaborating with architects to maximize impact. Register to attend.

DUE AUGUST 1
Applications for 2022 Cincy LEAD class and WE Ascend

Cincinnati USA Regional Chamber is accepting applications for the fall 2022 Cincy LEAD class and the WE Ascend program. Deadline for both is August 1.

AUGUST 3
Next City Webinar

Next City is offering a webinar on A Path To Equitable Economic Development at 1pm EST. Register to attend.

DUE AUGUST 4
Submit to AIA's Regional and Urban Design Awards

The Regional & Urban Design program recognizes the best in urban design, regional and city planning, and community development. Submit your work.

AUGUST 16
AIA Communities by Design Webinar

AIA Communities by Design is hosting a free webinar, Retrofitting Suburbia for Equity and Resilience to Climate Change. This session will explore strategies for shifting drivable suburbs to more walkable urban communities and explain how this change supports goals and policies related to resilience, active transportation, and community building. In addition, the speakers will discuss gentrification pressures and the implications strategies have on communities, with the goal of breaking cycles of disinvestment and preventing displacement. 1 LU/HSW. Register to attend.
