Chapter News

SAVE THE DATE: OCTOBER 13
Join us for AIA Cincinnati’s Sporting Clays event

Skeet shooting offers a great way to engage your customers, clients, and vendors, while networking for new business opportunities. Enjoy a relaxing and fun afternoon in the woods and an evening of camaraderie and networking.

Registration is now open and sponsorship opportunities are available.

Upcoming Events

AUGUST 9
CRAN
Climate Change Responsive High Performance Architecture - How to re-think designing homes & buildings

Climate change is making our environment hotter and less comfortable. As thought leaders, we must rethink our approach, so we have homes that are truly sustainable, resilient, and climate-responsive from the start. Topics explored include: more efficient plans, right-sizing, smarter kitchens, lighting flaws, glare-free daylighting, smarter roofs, etc. 1 LU/HSW.

REGISTER

AUGUST 10
ACADEMY
Revit Academy, Intermediate Session 3: Creating Circulation and Linear Components in Revit

Revit, a BIM software, is used by architects, engineers, and contractors to gather and link data on the design, construction, and operation of a building to create a unified, 3D model. In the third Intermediate Revit session, users will discover the many stair creation methods and types as well as railings and other linear components in Revit. 2 LU.
AUGUST 11
VISION
Keynote: Radical Practice

Marlon Blackwell will discuss his architecture and design process and will introduce ‘Radical Practice: The Work of Marlon Blackwell Architects’ a new monograph to be released in May 2022 by Princeton Architectural Press. Both the book and the lecture emphasize projects in the public and civic realm, emerging from outside the established centers of architectural culture, illustrating the distinct and original voice of Marlon Blackwell Architects. 1 LU.
