REJUVENATION

Single Treatment	£120
Course of 6	£600
Course of 8	£720
Course of 10	£850

As the skin ages and the sun wreaks its havoc, lines and wrinkles appear, and age spots surface. RevLite is a non-ablative laser that uses PhotoAcoustic Technology energy to stimulate collagen, reduce pore size, diminish wrinkles and acne scarring while improving skin texture.

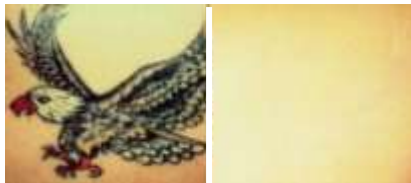

PIGMENTATION

Single Treatment From £85

Freckles, sun spots, liver spots – whatever you call them, are technically known as

“pigmented lesions” and usually develop as a result of overexposure to the sun’s UV rays. Treat your unwanted pigment with RevLite laser technology.

LASER TREATMENTS

DERMAPEN

£250

Microneedling is a type of treatment that uses small needles to cause tiny punctures in the skin. These small contact points encourage the body to create a wound healing response and renew the skin cells. As your skin repairs, the production of collagen and elastin is triggered to give an almost immediate plumping effect. It can also help tackle other skin damage such as scarring, dark marks, sun damage and ageing.

Free Consultation

LASER GENESIS

£180

Laser Genesis is a breakthrough non-ablative laser treatment that stimulates the skin's natural processes to diminish the signs of aging and sun damage, and promote a vibrant, healthy-looking complexion.

Courtesy of Felix Bopp, MD

Micro-pulses of laser energy are gently delivered to the skin. The laser stimulates the body's own processes to activate collagen remodeling to improve the appearance of fine lines, wrinkles and unwanted brown spots. In addition, Laser Genesis addresses facial redness by targeting the excess micro vessels. Although the individual treatment results are subtle, the overall effect of a treatment series can be quite dramatic.

i-LIPO FAT REDUCTION

Per Session(1Area)	£120
Course of 8 (1Area)	£600

i-Lipo uses low level lasers for smoothing cellulite, fat reduction, and body shaping treatments. i-Lipo stimulates the body's natural process for releasing stored content in the adipose cells. Every day, the human body is storing excess calories from you diet in the adipose tissue. The brain is in control of when the contents are released, and then metabolized into energy. i-Lipo is used to trigger the release of the contents, without exercise, and is able to target the precise stubborn areas. i-Lipo is non-invasive with no pain, no needles, and no downtime. Patients can expect results of losing 1-2 dress sizes during their course of treatments.

UNIVERSAL CONTOUR WRAP

Classic Wrap	£75
Course of 3	£180
Elite Wrap	£95
Course of 3	£240

Universal Contour Wrap is the inch loss treatment that guarantees you'll lose at least 6 inches in just 2 hours, making it the perfect solution when you have to look your best for that special occasion.

The 6 inch loss is also guaranteed to stay off for at least 30 days so you can be confident of looking great long after leaving the salon.

SCULPT PRO TREATMENTS

CAVITATION FROM £99

The Ultrasound Cavitation treatment uses scientifically proven non-invasive technology to break down unwanted fat. Ultrasound energy selectively targets fat cells in the chosen body area without harming surrounding tissues. It is non-invasive and completely painless; with no downtime, clients are able to lose 1-5cm from the first session.

BENEFITS:

- Enhances body tone
- Contours body
- Improves skin tone and texture
- Reduces cellulite

BRAZILIAN BUM LIFT FROM £129

Our revolutionary non-surgical Brazilian Bum Lift adds volume and shape, lifting your buttocks by up to 70% with instant results.

BENEFITS:

- Firms buttocks
- Tightens loose, sagging skin
- Reduces cellulite
- Destroys unwanted fat cells

CELLULITE TREATMENT FROM £149

Cellulite primarily affects women, with around 80% of over 20s showing this indication. A common misconception is that this reflects poor diet and lack of exercise, but this is not the case. It is the deeper structures which cause this dimpled effect, which although not life-threatening, can be a real bugbear for our clients.

BENEFITS:

- Reduces appearance of cellulite
- Diminishes fat chambers
- Promotes collagen remodelling
- Restores skin elasticity
- Increases blood flow to the area

RADIO FREQUENCY TREATMENT FROM £79

Radio Frequency Skin Tightening is a non-invasive treatment to help tighten, contour and refine deeper lines of the skin over the face and body. It uses advanced technology that safely heats the collagen in the skin (dermis). If sufficient energy is delivered, the collagen will contract, providing an immediate change in skin appearance. A result of collagen remodelling is tighter, younger looking skin.

SCULPT PRO TREATMENTS

HYDRA TOUCH H2 FACIAL FROM £89

The Hydra Touch H2 offers a non-invasive, no downtime skin rejuvenation treatment. It is an all-in-one skin treatment which combines aqua cleansing, diamond microdermabrasion, hydrogen water infusion, solution infusion and facial toning using microcurrents and electroporation to enhance the absorption of actives applied topically.

BENEFITS:

- Lifting skin
- Hydrating dry skin
- Brightening dull skin
- Improving skin texture
- Unclogging pores and removing blackheads
- Reducing appearance of fine lines & wrinkles

MULTIPLE TECHNOLOGIES USED:

- **HYDRADERMABRASION** - chemically exfoliates, extracts and hydrates the skin.
- **HYDROGEN THERAPY** - neutralises free radicals and reduces inflammation while boosting brightness and hydration.
- **FACIAL & NECK TONING** - The Y handpiece uses 360° rotating massage balls and Micro-current Electrical Neuromuscular Stimulation technology to stimulate muscle, and tighten skin, thus producing a lifting effect.

- **ELECTROPORATION** - moisturises the skin and helps effectively deliver solutions using a current to create temporary micropores in the membranes and tissues of the skin without altering or damaging the structure.
- **MICRODERMABRASION** – a medical grade mechanical exfoliation. The level of exfoliation can be customised by attaching one of 3 dry diamond-tips (fine, medium, or coarse) to instantly resurface the skin.

The perfect treatment before any special occasion!
