

AMBIGUITY - £14

Campari | Citric Acid | Pineapple | Butterfly Pea Syrup

... is a brilliant blind date with yourself. A true Jekyll & Hyde concoction: Decent. Dark. Prosperous. Possessed. Give it a swallow. 'Hey, there's someone we'd love you to meet!'

MA'AM - £14

Roku | Kwaifeh Lychee | Citric Acid | Besserat Brut | Sugar

Curt, dry, brutal, ice-blooded as in, Champagne, or spymasters like Mr. Bond's boss-lady 'M.' Elegance with a VERY crisp agenda. Wage the Cold War. And win it.

PRACTICALLY PERFECT - £13

Tiramisu Makers Mark | Pomegranate Port | Inverted Sugar

The 'cocktail' umbrella herself: a magical nanny who 'Poppins' in when needed ... We need you. It's hot out. Just a spoonful of sugar helps the thermometer go down.

MARAUDER - £14

Appleton 8 yr rum | Caribbean Liquor, Sugar | Citric Acid | Guava & Lime Soda

Shiver your timbers. Set sweat - and sobriety - adrift on the High Breezes of the Seven Seas. Don't fight the dog days, my curs. Sail away from them.

HUNNY - £14

Toki | Beesou | Bee pollen chutney | Honey

'POOH!'

to those who say hot weather is un-BEAR-able.

*Stick your cold nose in something sweet. Roll around on the floor,
and repeat.*

ROBBERBARON - £14

Heppele gin, Benedictine, Spiced wine reduction, Everleaf Forest

'Take from the rich and give to the poor.'

*(That would be you: wanting 'just a tippie' with the rarest
ingredients)*

*Let the lush estate of Sherwood Forest shelter you from the heat, of
the law, and the season.*

KUSHTY - £14

Hendricks, Mint Lassi, Pineapple, Fair Passionfruit

Ah, lovely jubbly.

A Del-Boysterous drink

so Cunningly Clueless it's Breath-taking.

Have the last laugh - and then have another

PUERILE - £14

Sauvelle , Fair Kumquat, Orange & Lime juice, Chai

'Don't let the fools fool you

. Trapped in an adult drink, is a child's-play cocktail that only a kid could love.

Puerile. But naive, it's not.

X - £15

Las Olas, Kalamansi, Ancho Reyes Chili, Black Cherry Syrup

... for Xavier,

the Mutant on a Mission against bigotry between peoples.

*And, X-cellent at Mind Control - like our eXpertly miXed drink:
a most peaceful of co-eXistences.*

HIGHLANDER - £14

Casa dragones blanco, Quince Liqueur, Rhubarb Syrup

The ultimate temperature 'drop'...

Named for Sir William Wallace, first father of Scottish independence

- Hanged for his efforts. Highlander WILL go to your head:

whether you choose to lose it, or not, we leave en-tirely up to you.
