

Create a HomeAid CareKit

There are nearly 600,000 people experiencing homelessness on any given night.

HomeAid's Mission is to help people experiencing or at risk of homelessness build new lives through construction, community engagement, and education.

A HomeAid CareKit is about more than the amenities inside; it's about providing hope, health and a fresh start. Please give much-needed hygiene products to those who are struggling to meet their family's most basic needs.
