Christmas in My Heart® 30

When Dr. Joe Wheeler wrote his first Christmas story 32 years ago, he didn't realize God was setting him up to develop the longest-running Christmas story series in America. Book 30, the last of the series, is a collection of Dr. Wheeler's own stories from books 1–27, plus two brand-new stories for this volume.

A couple of years ago, a traumatic brain injury resulting from a stairway fall nearly brought the series to a halt with volume 27—but not before about a million Christmas books were ensconced in homes and libraries around the world.

During his recovery, Dr. Wheeler has turned his eye toward the impact of stories on families.

Sanctuary Pure and Simple

\$10.99

The books of Daniel and Revelation are companions. As you understand the dreams and visions given to Daniel, you will find that John repeats the same prophecies and enlarges upon their meaning in Revelation. The book of Daniel is the first step in understanding Revelation. God gave these visions for guidance to His people, particularly in the closing events of time.

The Sanctuary Pure and Simple is written for anyone who wants to understand the sanctuary and learn the lessons for today from the object lessons God gave the children of Israel.

Risen • Clifford Goldstein

In this fast-paced, tightly argued examination of the events that followed Jesus' death on the cross, Goldstein looks at claims made by skeptics who deny the Resurrection.
