

The background is a rich, textured painting of a coastal scene. It features a dark, craggy cliff on the left that meets a vibrant, multi-toned ocean. The water transitions from deep blues and purples near the shore to lighter turquoise and blues further out. In the foreground, a sandy beach is depicted with warm, golden-brown and tan tones, showing some small figures or objects. The overall style is expressive and painterly, with visible brushstrokes and a wide color palette.

130 ARTISTS ARE OPENING THEIR PRIVATE STUDIOS FOR YOU!

Dear Arts Enthusiast,

It is that very special time of the year! Sonoma County Art Trails is back. I want to extend a warm invitation on behalf of the Sebastopol Center for the Arts to visit and explore our vibrant community during our fall open studios event.

Sonoma County Art Trails is an annual celebration that allows art enthusiasts, collectors, and curious individuals like yourself to witness the creativity, diversity, and passion that thrives within our art community. It is a unique opportunity to engage directly with talented artists, gain insights into their creative process, and experience first-hand the artistic expressions that define Sonoma County.

Here are some compelling reasons why you should consider touring the Art Trails open studios this year:

Unveiling Hidden Treasures: Sonoma County Art Trails grants you exclusive access to the inner sanctums of artists' workspaces. Discover where inspiration takes form, witness the evolution of ideas, and get a glimpse of the behind-the-scenes world of art creation. It's an exciting journey that unravels the secrets behind each masterpiece.

Engaging Conversations: Sonoma County Art Trails provides a platform for direct interaction between visitors and artists. Engage in conversations, ask questions, and gain a deeper understanding of the artists' motivations, techniques, and the stories behind their artworks. This dialogue enriches your appreciation and fosters a sense of connection between the artists and the community.

Diverse Artistic Expressions: Sonoma County is home to a diverse community of artists, each with their unique style, mediums, and perspectives. During Sonoma County Art Trails, you will encounter a wide range of artistic expressions, from traditional paintings and sculptures to contemporary installations, digital art, and mixed media. It's a melting pot of creativity that promises to ignite your imagination.

Support Local Artists: By attending Sonoma County Art Trails, you contribute to the local art ecosystem. Your presence and appreciation inspire artists to continue pursuing their passions, fuel their artistic growth, and enable them to flourish. In addition, you may also find a piece of art that speaks to you, supporting an artist directly by adding their work to your personal collection.

Inspire Your Creativity: Immerse yourself in an atmosphere brimming with inspiration, energy, and artistic vision. Sonoma County Art Trails has a contagious effect on visitors, igniting their own creativity and sparking ideas for their personal projects. Experience the transformative power of art firsthand and discover how it can enrich your own life.

We look forward to welcoming you and sharing the magic of creativity with you. Sonoma County Art Trails is a program of the Sebastopol Center for the Arts, a non-profit organization that offers a variety of art programs. We are committed to cultivating creativity and inspiring appreciation for the transformative power of art by producing local, national and international events in the arts through curated gallery exhibits, award-winning open studio events, a state-of-the-art ceramics studio, art lectures, poetry readings, concerts, adult and youth education and the Sebastopol Documentary Film Festival – an acclaimed Academy Award® qualifying festival. *Experience Art, Make Art, Share Art and Celebrate Creative Thought.*

2019 - 2023
VOTED SONOMA COUNTY'S BEST
OUTDOOR ART EVENT + GALLERY

CREATE YOUR OWN ART ADVENTURE!

- EXPLORE BEAUTIFUL SONOMA COUNTY** | Visit working artists' open studios
- ENGAGE WITH ARTISTS** | See where the magic happens
- COLLECT ONE-OF-A-KIND ART** | Support local artists offering a variety of original art for sale

Every year new artists are juried into Art Trails. Their work is assessed anonymously by a jury of five art professionals (which changes yearly). The jury looks for a professional, consistent, and gallery-ready body of work. **We welcome 19 new artists this year!**

Professional development is an important part of Art Trails; this includes a strong selection of expert workshops and experienced mentors for all new artists. In addition, artists help each other

by exchanging tips and experiences through a network of friendships and our strong community.

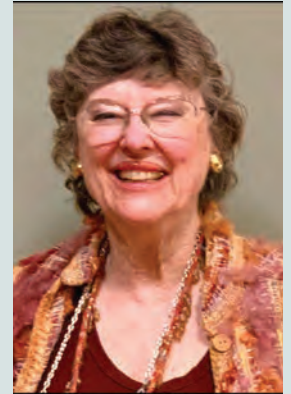

Each artist will have an educational component at their studio. Taking advantage of being in their own studio, they will perform a demonstration of making art, highlight a part of their process or their materials, or show you the interesting details of making their art. It is an exciting way for you to learn about how different types of art are made.

Much meticulous preparation and thought goes into welcoming you into our studios. We begin preparing our art and studios months in advance. We enjoy meeting art enthusiasts and sharing our creative process and finished work with price points that fit every budget.

We welcome you to our studios and hope that you enjoy your ART ADVENTURE!

IN REMEMBRANCE OF NICOLE OURS

Artist and Art Trails Steering Committee Co-Chair 2019-2022

Nicole created paintings of seascapes, landscapes, skies, and nature with a style that "chased the ephemeral margins of light." She was a beloved special-education teacher and a dedicated Art Trails volunteer and leader.

Born into a family of artists, Nicole followed in the tradition. A graduate of Mills College with an art degree, she enjoyed a long career as a teacher, using art as a tool.

Following retirement, Nicole was on the California Arts Council, chaired the North Coast Artist Guild, and worked tirelessly as co-chair of the Art Trails Steering Committee in service to her fellow Art Trails artists. Her ability to listen, honor uniqueness, and recognize the need for change and trust were a direct result of her work in education.

Nicole's generous spirit was beloved by all who knew her - from those who just met her to decades-long friends. Nicole brought joy to those close to her. Her art continues to bring wonder to the eye and soul.

JOYOUS JOURNEY An Art Trails Raffle Benefitting Artstart

The raffling of "Joyous Journey," a painting donated by Sonoma County Art Trails, will benefit Artstart, an award-winning non-profit that empowers teens to explore their creativity and encourages them to engage with their communities, bringing beauty to the world around them.

This vibrant painting is a collaboration of four Art Trails artists: Micah Schwaberow, Nicole Ours, Gen Zorich, and Michael Palace.

This painting began with Micah. When Micah passed in 2022, Nicole chose to continue the painting. Sadly, Nicole passed 3 months later. Gen

then completed the painting, bringing her great healing and comfort.

The frame on the painting was handmade from cherrywood by Michael, a furniture maker. Making a beautiful reconnection because a few years ago, Nicole gave cherrywood to Michael when she removed a cherry tree from her yard.

"Joyous Journey" captivates their spirit, love, and devotion to Art Trails and their support of young artists.

Art Trails is raffling off "Joyous Journey" - on display at Sebastopol Center for the Arts. Proceeds benefit Artstart.

Tickets are \$25 each

Joyous Journey - 24"x 30"
Oil on canvas.
This work can be viewed at Corricks in Santa Rosa until 9/14, then will be on display at the Sebastopol Center for the Arts.
