Statement on the Graduate Stipend Increase in the 2023 Fiscal Year

Hanover, NH — The Guarini School and Graduate Student Council have been advocating for a significant increase in graduate stipends, and we are pleased to announce that the Provost and EVP have approved an increase for Fiscal Year 23.

While this increase, along with the entire Dartmouth budget, is not final until the Board of Trustees votes on it in March, the stipend rate is set to be increased to **\$35,196 effective July 1st** (this will be reflected in the August 1st check). For the Guarini School and the Graduate Student Council, today's news exemplifies what we can achieve by working together to support our graduate community.
