

GALLERIA

A MASTER-PLANNED WELLNESS COMMUNITY

Galleria on the Park is Toronto's most inspired new neighbourhood of condominiums, shops and places to gather, all located next to an incredible eight-acre park and 95,000-square-foot, state-of-the-art community centre.

Located in the new Dupont, Galleria will accommodate almost 6,000 people, living as one community in eight architecturally distinct buildings in modern condominiums.

Introducing Galleria III, the third chapter in the story of Galleria on the Park, and your next opportunity to purchase in this new community.

Living at Galleria immerses you in a premium wellness lifestyle, with convenient access to on-site creative office spaces, high-quality retail outlets, and excellent transit connections. Walkable, generous sidewalks lined with trees and plants, and colourfully patterned streets create an ideal environment for urban living.

A NEW STATE
OF WELL-BEING

GALLERIA III

A PARK WITH HEART

You'll want to spend a lot of time in the inviting the new Wallace Emerson Park. Whether simply relaxing under the trees, hosting a picnic, or playing ball with the kids, you'll love this large and revamped green space, designed to maximize sunlight and south views of the Toronto skyline.

A park for everyone, it's planned to include into three multi-functional spaces:

The Community Heart surrounds the new community centre at the west end of the park, and features a BMX/skateboard park, a multi-use sport court, and skating pad, along with a skating trail.

The Play Heart, at the centre of the park, is a multi-use green field with a hill that invites all Torontonians of all ages to gather and play.

The Nature Heart, at the east end of the park has a treed canopy and meandering pathways for wandering and relaxing in a natural setting.

NEW COMMUNITY CENTRE

The new Wallace Emerson Community Centre, planned with community wellness in mind, will be one of the largest in Toronto. This state-of-the-art oasis will offer an array of indoor and outdoor spaces for rejuvenating, relaxing and socializing.

INSPIRING WELLNESS

The eight wellness-oriented residential towers of Galleria face the exhilarating new Dupont on the north side, and offer spectacular views of the city on the south side.

INDUSTRIAL ROMANCE

The signature curves of Galleria III were inspired by vintage Flatiron buildings, and many design features take their cues from the area's past as an industrial heartland of Toronto.

GATEWAY TO GALLERIA

The new landmark at Dufferin and Dupont, Galleria III is a design-forward condominium residence geared to well-being and community spirit.

A FRESH OUTLOOK

Rising 31 storeys above the new Dupont, Galleria III overlooks the new pedestrian retail mews and street that criss-crosses the community.

THE MEWS

You'll gravitate to the Mews, an attractive pedestrian walkway lined with restaurants, patios, and stores. Become part of the dynamic, active and cheerful scene as you enjoy living as one.

THE GREAT OUTDOORS

The public spaces of Galleria are where the community comes together. Stay to enjoy the views of the Park and Mews, or move on to the amazing park and all it has to offer.

GRAND LOBBY

The elegant double-height lobby sets the tone for Galleria III, welcoming residents and visitors with its curvaceous furniture and sleek marble finishes.

POOLSIDE WITH LOUNGERS

On sunny summer days, lounge in comfortable seating beside the pool or swim laps above the treetops.

PRIVATE DINING ROOM

Mark any occasion with a delicious dinner cooked in the Chef's kitchen. Toast the evening with a glass of wine from the private wine cellar.

OUTDOOR TERRACE

Warmed by the fire as the sun goes down, confidences can be shared and stories told in the private spaces on the outdoor terrace.

SOCIAL LOUNGE

Relax, play pool, and enjoy your favourite drink. With sweeping views of the city, this spacious lounge ignites good times among friends and family.

CO-WORKING LOUNGE

Working from home doesn't always mean staying in your suite. Extend your comfort zone into the congenial co-working lounge.

SPA CIRCUIT

Offering the ultimate in relaxation and rejuvenation, this serene space features a steam room, plunge pool, shower and sauna.

KIDS' CLUB

Your little ones will find their sweet spot here – a cool place to play, chill out with a favourite book, work on artwork and make new friends.

LIVING ROOM

Come home to comfort and style — your living room is a showcase of modern, elegant style, with the most up-to-date flooring and lighting, and beautiful views.

KITCHEN

Seamlessly integrated with the living and dining area of your suite, the kitchen is a marvel of masterfully crafted design, featuring curves, natural materials, and contemporary upscale appliances.

JANET ROSENBERG & STUDIO INC.

Janet Rosenberg & Studio Inc. is one of Canada's most distinguished landscape architecture and urban design studios. The Studio is recognized for its extensive and award-winning portfolio of work that includes public, commercial, and institutional spaces as well as private residential gardens, green roofs, and condominium towers.

All renderings are artist's impression only and do not represent any condition at present, or in the future, which may obstruct or impede the views, including current or future construction plans by the developer or others. Certain design elements are subject to change. Some descriptions and renderings in the brochure include details or images of a planned building or feature within the development or associated with the development (such as the community park), which are still in the development stage and subject to further approvals. The inclusion of these descriptions and renderings demonstrates our current vision for the community but does not represent a guarantee that the final build-out will be the same as described or as shown.

(*) This is the planned size of the new community centre. Certain parts of the park will be developed by the City of Toronto. The Community Heart is part of the Galleria development but the Play Heart and the Nature Heart are areas planned by the City for future implementation.
