Mission/Vision/Values
YNPN-TC and the Exquisite Corpse

Official Business/Discussion
- Approve June and July meeting minutes - **Vote: approved**
- Strategic Alignment next steps
  - General notes/responses/discussion
    - Bulk of the conversation evolved around programming.
    - Board felt the GovComm and MemComm proposals made sense and didn’t have much to add to these parts of the conversation.
  - Decision time: Ready to vote? Wait until next month so more of the board is present? Vote on some now but not all?
    - Present board members agreed they’d rather hold off on voting on ProComm and MemComm proposals, but felt good about voting on having GovComm go ahead and come up with a plan to restructure the committee to include finance. **Vote: approved**

Strategic Updates
- Affiliation Agreement discussion
  - Next steps: we will vote on signing the affiliation agreement in September.
- Co-Chair model discussion
  - Biggest question - what is **really** the difference between our current model vs. this co-chair model; are there other chapters that use this co-chair model?
  - Task force created to explore further.
- Conference debrief
Officer & Chair Updates

  - Financial board commitments: a check in will be happening soon if you have not yet already contributed.

  - Thought-Provoking/Controversial Blog Posts & Disclaimers
    - How do we approach blog posts that are on the more controversial side or walk the line for conflict of interest. What should our best practice be?
- Governance
