

Triangle Networks Ltd – Code of Practice

Business Broadband and Voice Services

Part 1 - Code of Practice for Small Business Customers

Introduction to our Company and Services

Triangle Networks Ltd is an independent company that delivers communications services to business customers, across the UK. While we may not provide all the component parts of our services ourselves, we do take responsibility for the services delivered to you, so we will liaise with our suppliers to ensure that any problems with their services are resolved promptly.

Purpose of this Code of Practice

This code informs you about our products, services, customer-care policies and where to find information about our charges and terms and conditions. This Code of Practice is published on our website www.trianglenetworks.co.uk. Additional copies are available on request and free of charge to any domestic and small business customer.

Marketing

We work to the principles in the British Code of Advertising, Sales Promotion and Direct Marketing, which are set out on the website www.cap.org.uk.

Terms and Conditions

When you subscribe to a service from Triangle Networks we will send you our Standard Terms and Conditions and ask you to sign a contract, if applicable. If you have any questions, please phone our Customer Service Team on 01275 871122. We may carry out a credit check as part of our assessment procedures.

Where applicable the minimum contract term for our services will be 12 months for most Openreach line and broadband services, and 36 months for most leased line/ethernet services. We aim to provide services within the timescales laid out in the Service Guide relevant to the service that we are providing to you, subject to the availability and installation lead times of any equipment and, where appropriate, fibre and copper lines to your premises. If we need to carry out a survey of your premises or lay additional cabling, we will inform you of the revised timescales as soon as we can.

Cancellation

If you decide to cancel your order or agreement before we have provided the services, you may do so without charge within 10 working days of your order being placed. For cancellations after 10 working days we will charge you an administration fee as set out in your contract. If you wish to terminate your contract within the minimum term of 12 or 36 months (depending on the service provided), please call our Customer Service Helpdesk on 01275 871122. We will charge you a fee as set out in your contract. After the minimum term you can cancel any service by calling our Customer Service Helpdesk on 01275 871122, giving us 30 days' notice for broadband and Openreach Line services and 90 days' notice for leased line/ethernet services.

Your minimum term and notice period information is provided within the terms and conditions and further product information is available in the Service Guide relevant to the service provided to you.

Faults and Repairs

Please call our Fault Service Team on 01275 871122 if you experience a fault with any of our services. For domestic customers we aim to have this investigated and repaired within 3 days, subject to the severity of the issue and the availability of engineering support from the infrastructure provider connecting your service.

For SMEs, the operational service levels we aim to achieve, including for the activation of a new service, restoration following loss of service and keeping pre-agreed engineer appointments, are set out in our Terms and Conditions

Compensation and Refund Policy

We do not offer automatic compensation payments in cases where the service level targets are not met and will assess any claim for compensation on a case by case basis. Any payment made will be on a purely discretionary basis.

We do not feel that fixed level compensation payments are appropriate for business customers, who we advise to seek other ways, such as insurance, to protect themselves against the impact of any loss of service.

Price Lists

Our pricing structure is available from our Customer Service Team on 01275 871122. We will write to you in advance if we change the pricing structure on your products and services.

Billing

We will bill you monthly.

You can choose to pay us via a range of options including credit card, cheque and direct debit. These are agreed at the start of your contract. If you wish to change your method of payment at any time, please call our Customer Service Team.

We provide itemised bills/airtime at flat rate as part of our service to you. Printed bills are available for a fee of £6.00 per month.

If you have difficulty paying your bill, please contact us on 01275 871122 and we will try to arrange a different method of payment. We will do all we can to help our residential and small business customers to manage their bills and avoid disconnection. In any event, you will be given 48 hours' notice of any decision to disconnect your services.

Moving Home or Office

Please call our Customer Service Team on 01275 871122 no later than 30 days before your move date. We will amend your account and billing requirements as necessary. We will endeavor to offer you the same telephone number to minimise disruption but please note that for geographic numbers, this is not always possible.

Number Porting

Triangle Networks Ltd recognise that keeping your existing telephone numbers may be important to you. If you move your business to us and wish to keep the number that you have with your old provider, we will arrange it if you ask us. We will work with you to ensure that the services are switched over at a convenient and appropriate time. For more information, please call our Customer Service Team on 01275 871122.

If we fail to allow you to move your number away from us, we will pay you compensation at a rate of 1/365th cost of number per day of delay.

Directory Entries

You are entitled to a Directory Entry listing (including an entry in the Phone Book) for both your fixed and mobile telephone numbers. If you do want your details included, please contact our Customer Service Team on 01275 871122.

Complaints

We make every effort to ensure that our customers are happy with the level of service, and the products and service they receive from us. However, despite our best efforts, things can go wrong. We take customer complaints very seriously and aim to resolve them quickly and efficiently.

Our Code of Practice on Complaint Handling and Dispute Resolution explains how customers can complain. The code also provides information on how we deal with complaints and your right to take unresolved complaints to Alternative Dispute Resolution. You can find a copy of our Complaints Code <https://www.trianglenetworks.co.uk/complaint-code>. Alternatively, copies are available free of charge and on request from our Customer Service Team on 01275 871122.

Services for People with Special Needs

We are committed to helping all our customers to communicate easily. We offer the following additional services on request for customers who are vulnerable or who may have a disability:

- Priority access to the Customer Service Team
- Priority fault repair and assistance
- Text Relay Service

Data Protection

We comply fully with our obligations under the Data Protection Act 2018.

Part 2 - Code of Practice for Calls to Premium Rate Service, Unbundled Tariff and Personal Numbers

Purpose of this Code of Practice

This code informs you, our small business customers, about our policies on providing information about Premium Rate Service (PRS) calls and on our charging policy for calls to PRS numbers.

Unbundled Tariff Numbers

Unbundled Tariff Numbers are non-geographic numbers starting with 084, 087, 090, 091, 098, or 118 which are used to provide a range of information and entertainment services and are charged to your telephone bill.

Charges for these services are made up of two parts, a Service Charge and an Access Charge and the total is added to your telephone bill. You will see the Service Charge advertised by the company providing the service alongside the number. Depending on the type of number called, the Service Charge can be up to £3.60 per minute, or £6 per call or per text (including VAT).

The Access Charge is retained by us, your phone company. Our Access Charge for calling Unbundled Tariff numbers is outlined alongside all call charges in our Call Charge Tariff. Unbundled Tariff numbers in the 084, 087, 090, 091, 098, or 118 ranges are/are not included in your monthly call minutes allowance.

Personal Numbers

Personal Numbers are numbers starting with 070. Calls to Personal Numbers are charged at the same rate as for mobile numbers. Calls to Personal Numbers are/are not included in your monthly call minutes allowance.

Controlled Premium Rate Services

Controlled Premium rate services (CPRS) are Unbundled Tariff numbers which can cost 7p per minute or more. UK-based CPRS numbers are normally prefixed by “09” or “118”. Numbers starting 087 are also designated as Premium Rate numbers and subject to PRS regulation when they cost 7p per minute or more. Typical services include TV votelines, mobile ringtone downloads, technical helplines, charity fund-raising and adult entertainment. Calls to 118 services are capped at £3.65 for a 90 second call (including VAT) plus our Access Charge.

If you have a problem with Premium Rate Services, we can help. We can provide advice on checking the telephone number of any PRS charges that appear on your bill and will try to help you identify the premium rate service provider. We can use call barring to restrict access to “09” numbers. Please call our Customer Service Team on 01275 871122 for advice on this. We can give you a factsheet on PRS.

You can also ask for help from the Phone-paid Services Authority (PSA) which is the industry-funded regulatory body for Premium Rate Services. PSA operates a Code of Practice that sets out standards for the operation of PRS. You can use the PSA website at www.psauthority.org.uk to check PRS numbers direct and find contact details for the company in question or to submit a complaint. PSA has the legal powers to require a provider of PRS to amend its service or promotional material (or both) and can also order refunds and impose penalties on service providers for breaches of the PSA Code. For other ways to contact Phone-paid Services Authority, see the “Useful addresses” section below.

If you are unhappy with the help you have received from us on a problem with PRS, please contact Managing Director on 01275 871122 or by email at operations@trianglenetworks.co.uk who has responsibility for compliance with our code of practice for PRS. You may also complain using the complaints procedure set out in our complaints code including, ultimately, referring your complaint to Ombudsman Services.

The Telephone Preference Service

If you don't want to get sales and marketing calls you have not requested, you can add your details to a list run by the Telephone Preference Service (TPS). If your number is on the list, it is illegal for a company to call you for marketing purposes. You can contact the Telephone Preference Service via www.tpsonline.org.uk or by telephoning 0845 070 0707.
