

COMUNIDAD DE APOYO SAN DIEGO

2023 Impact Report

Message from the Executive Director

Dear Community,

This year we had many accomplishments: helping 3 times the amount of patients than previous years, fundraising nearly \$10K at the San Diego Gives 24-hour online event, attending UCSD health conferences, and growing our community. Everything we accomplished is thanks to our volunteers and donors like you. We are forever grateful for your support. We are excited to begin 2024 with plans to continue supporting our local community by collaborating with organizations, applying for grants to support our growth, and planning more events to support our patients.

With gratitude,
Cristina Rangel Batalla
CASD Executive Director

About CASD

Our Mission

To improve healthcare access for uninsured community members in San Diego by providing financial support and accompaniment for patients as well as education for providers to improve the health of our community.

Our Vision

To promote health for all

Our co-founders from left to right:
Dr. Allison Estrada, Mrs. Rosa Castañeda, Mr. Ramón Gutiérrez

REVENUE

Total Donations: \$37,130.81

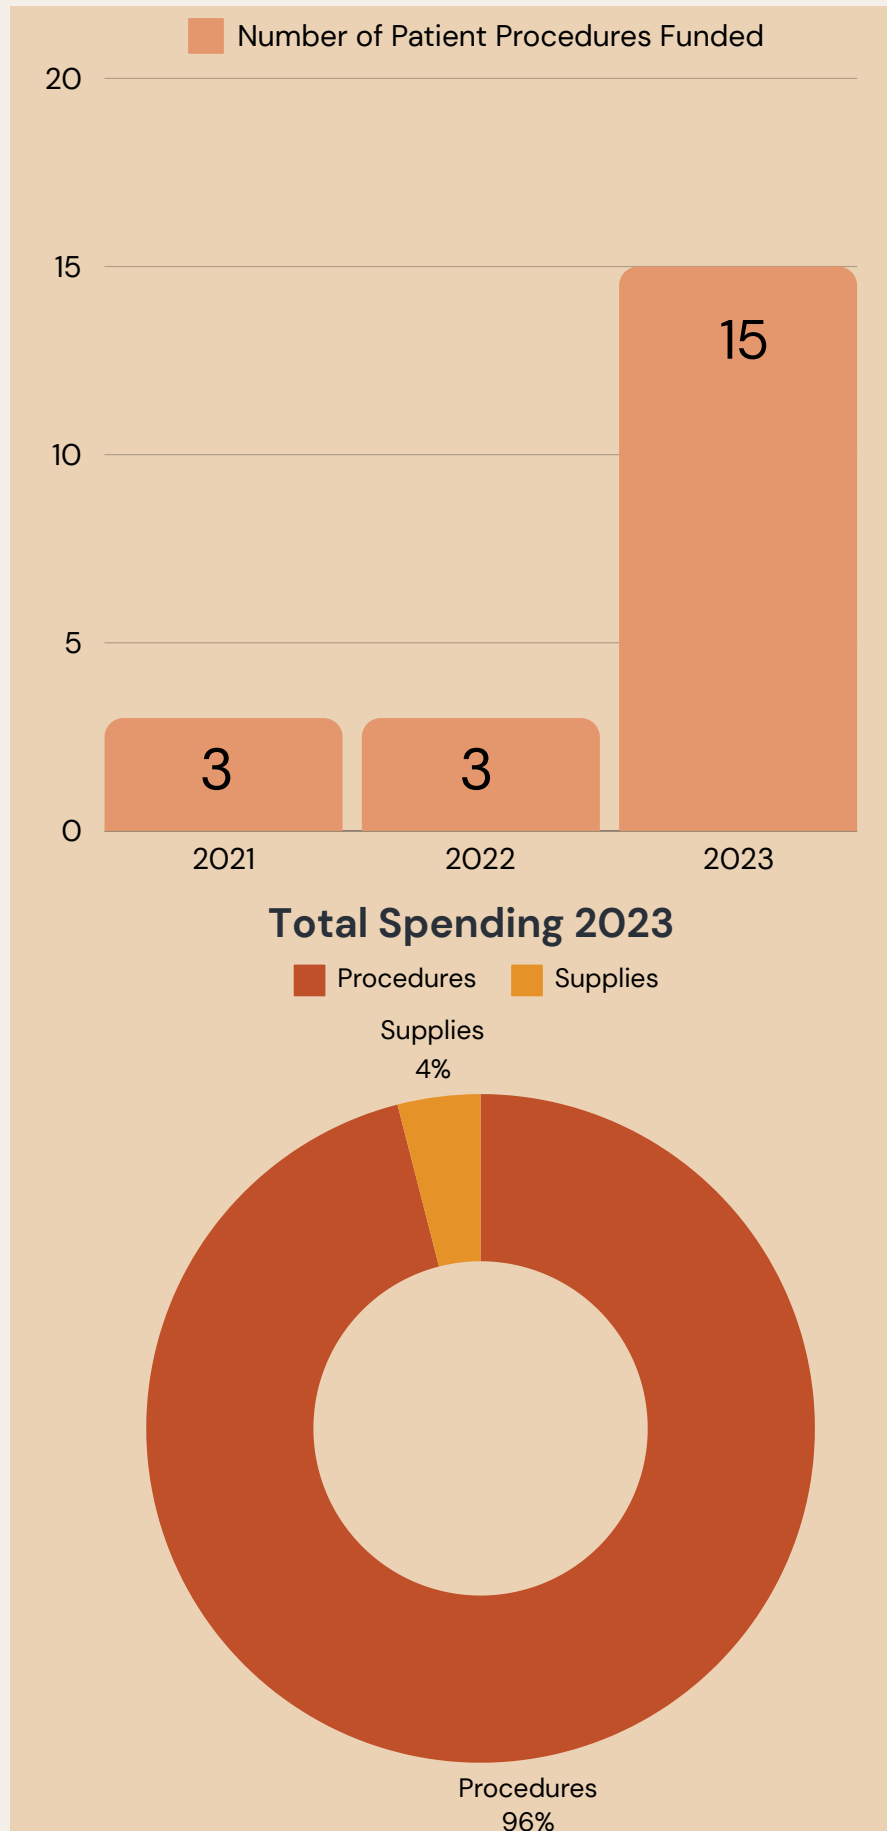

Started the year with \$16K carryover

EXPENSES

Procedures \$31,154.16

Supplies \$1,179.96

**We're proud to report 96% of all
donations were used to fund our
patients procedure costs**

Power, Strength, & Hope Our Community

"I suffered a lot when I had severe anemia and multiple blood transfusions at the hospital. My red blood cell count was so low that it could've caused a lot of damage. With Dr. Estrada and CASD's help, I had my surgery. I'm forever grateful for her kindness."

Mirna

"For me and my entire family it was like a blessing to know about the CASD program, which helped me a lot with my problem since we did not have the money for the operation. Thank you to the CASD team for your help and for all the great support you give us and the great work you do. Thank you all very much, blessings."

Mónica

Power, Strength, & Hope Our Community

CASD Volunteers and family at our IB service learning presentation at Hazel Goes Cook Elementary

Our CASD co-founders with our patient Irma at the UCSD Triton Leaders Conference 2023

Psychologists Sofia and Ellen led several workshops, including an art therapy workshop, for our patients and community members

Thank You! Gracias!

Thank you to our donors and volunteers. Your support has allowed us to continue helping uninsured patients in our community,

We look forward to a new year of helping more patients navigate the healthcare system to ensure patients have access to quality and compassionate health care.

We encourage you to contact us if you are interested in volunteering, donating, or attending our community meetings.
