5.1.3. The application for funding will consist of a budget with a brief explanation for each requested expense, as well as predicted sources of revenue from the event, and a brief explanation of the event.

5.1.4. If a club/society does receive funding from the AIF they are required to submit their receipts

from the purchases to the CASG office within two weeks after the event. Failure to do so may result in penalization for the next submission or suspension from the fund.

5.2 Academic Initiative Fund Committee

5.2.1 The funding committee will consist of six individuals: CASG President, CASG VPO, and four members from the CASG caucus, to be chosen through a simple-majority vote at the first general council meeting of the school year. 5.2.4. The AIF committee will not sit during the spring and summer semesters.

5.2.5. If any member of the committee is a paying member of or feels they have a strong connection to the academic club or society applying for funding, they must excuse themselves from that particular decision.

These amounts will be submitted anonymously in writing, they will be gathered together and the highest and lowest amounts of funding will be removed and the remaining funding allocations will be averaged out. The average of the remaining amounts will be the amount given to the academic club/society event. If the total funding goes over the budgeted amount, the funding will be reduced equally for all applicants, so as to fit into the budget.

5.4 Funding

5.4.1 The AIF will fund a maximum of 50% of the costs associated with the event/activity.
